Who we are:

United Builders, Lda is a young and dynamic company providing construction and maintenance services for the public, private, and commercial sectors. The company has been carving out its space through the trust and credibility that clients place in its founders, who have led various projects for over 25 years and continue to stand out for their management methodology.

United Builders, Lda
Construção e Serviços

VISION

Work innovatively to become a national benchmark in quality and innovation in civil engineering services.

MISSION

- Deliver smart solutions that impress clients through quality and commitment.
- Continuously grow and improve our services while expanding in the market.
- Help clients turn their dreams into reality.

VALUES

- Technical knowledge and expertise.
- Commitment to clients and partners.
- Ethics, integrity, and transparency in all relationships.
- Safety and health for everyone involved.

Projects – Execution and Management

Each project is executed with precision and efficiency. We coordinate every stage of construction, ensuring quality, timely delivery, and cost control.

Construction

United Builders, Lda specializes in civil construction, providing tailored solutions for residential and commercial projects.

Maintenance and Expansion of Civil and Industrial Works

We revitalize spaces with attention to functionality, aesthetics, and property value, transforming and modernizing all surrounding environments according to each project's unique requirements.
