

# **Illuminating Paths, Empowering Lives**

2025 Inaugural Impact Report

**In India, children with intellectual and developmental disabilities are too often left behind.**

They face significant barriers to essential care, education, and opportunity. Without support, their potential remains locked away, and their families struggle alone.

# **Our mission is to illuminate a path forward.**

Disha Jyoti is a USA-based 501(c)(3) charity dedicated to empowering underserved children and families in India—with a special focus on those with intellectual and developmental disabilities—by providing access to education, healthcare, and comprehensive care.

We partner with trusted, on-the-ground organizations in India to maximize impact and efficiency.

We provide grants that fund special education, therapy, nutrition, and family counseling.

Families Empowered

# Nurturing Potential Through Comprehensive Care

## Special Education

Our program is built around each child's unique strengths and pace of learning. We create customized activities that empower them with skills, confidence, and a sense of belonging.

## Nutritious Meals

By providing balanced meals each day, we help children stay energized and focused, enabling them to engage fully in therapy, learning, and social activities.

## Therapeutic Services

Trained professionals provide personalized physiotherapy, occupational therapy, and speech therapy tailored to each child's needs, helping them build physical abilities, communication, and independence.

# The Story in Numbers: Our Impact from Oct-Dec 2025

<b>Funds for 2026 Programs...</b>	<b>\$8,625.39</b>

# Looking Ahead: Our Strategic Priorities for 2026

# Broadening Our Impact: The Next Chapter in Education & Healthcare

## Education Initiatives

Our upcoming education initiatives will focus on providing educational resources and support to children in need, ensuring they have access to quality learning opportunities that can transform their futures and uplift their communities.

## Healthcare Support

Our upcoming healthcare initiative will support underserved families by helping them afford essential medical treatments, nutrition, and wellness needs—empowering them to lead healthier, more hopeful lives.

*These initiatives will be launched based on the generosity of our supporters.  
Every contribution brings us one step closer to making them a reality.*

# Join Us. Every Contribution Transforms a Life.
