JUKEBOX IN EXILE – PREMIUM PRESS KIT

**AN ALBUM BORN FROM EVACUATION, MEMORY, RESILIENCE,
AND CLASSIC COUNTRY STORYTELLING. ALBUM RELEASE –**

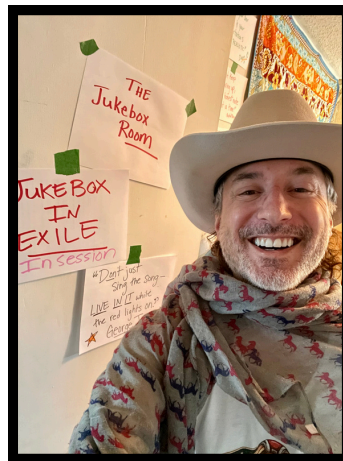

JUNE 5, 2026

ARTIST OVERVIEW

C.C. Trubiak is a self-taught Canadian singer-songwriter whose work blends traditional country storytelling with the emotional realities of Northern Canadian life. His music reflects themes of memory, displacement, resilience, and rural identity. A registered SOCAN member and active member of the Canadian Country Music Association, Trubiak has steadily built recognition through independent releases, playlist traction, and editorial support

THE STORY BEHIND JUKEBOX IN EXILE

Written during the 2025 wildfire evacuation that impacted Northern Manitoba and Saskatchewan, Jukebox In Exile captures the emotional atmosphere of uncertainty, memory, loneliness, and hope through classic country songwriting. Rather than chasing modern commercial production trends, the project leans into raw storytelling and emotional honesty inspired by traditional country music.

FEATURED SINGLE — OLD COUNTRY SONGS

Old Country Songs serves as the emotional opening chapter of the album. Since release, the track has continued gaining momentum through Spotify playlist additions, growing engagement, and editorial recognition.

INSIDE THE RECORDING PROCESS

The recording process behind Jukebox In Exile focused heavily on authenticity, emotional realism, and independent artistic direction. The project combines intimate recording environments with deeply personal songwriting.
