Programme Breakdown

Week 1 - Multi Domain Knowledge

In the first week, students attend sessions by Industry experts, learning about job roles in the global market and latest economic landscape to align their career expectations.

Week 2 - Upskilling

Students will travel to Singapore & receive hands on training from NUS professors in NUS campus on Digital Product & Project Management with Business Psychology.

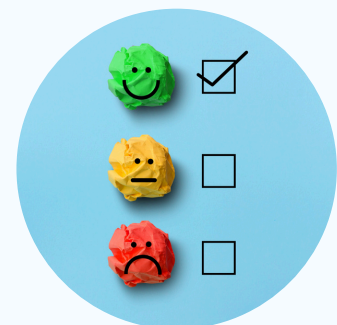

Week 3 - Internship

During the third week, students join various company departments, observing operations firsthand or pursuing an entrepreneurial journey if interested.

Week 4 - Application & Evaluation

Students complete assigned tasks. Successful participants receive a Program Completion Certificate from NUS, along with a comprehensive evaluation letter.

Expert Faculty

Prof. LEE Boon Kee

Dr. Anand Bhojan

Recievables after the Programme

Students receive a prestigious Certificate of Training from NUS ACE with credit equivalency to universities of equivalent stature, potentially aiding admissions to universities abroad and in India.

Upon successful completion of the program, students receive:

- Certificate of Training from NUS ACE
- Comprehensive letter of evaluation
- Certificate from Globalcert.
- Letter of Recommendation for the top 25% performers from Globalcert.

This trip is designed to not only expand students' knowledge but also to create memories that will last a lifetime. From thrilling adventures to magical moments, students will return home with new friendships, unforgettable experiences, and a fresh perspective on the world!
