You Have Overcome

“Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world” (1 John 4:4).

You are of God. This is John’s testimony to Christians: that their origin is in God. In other words, the Christian is born of God and therefore has the same life and nature as God.

It’s important to note that the verse doesn’t say you shall *overcome them*; it says you have overcome them. This is not a promise; it is a statement of fact. You’re not trying to overcome; you have overcome already! Also, observe it doesn’t say you have overcome them because you’re strong or very spiritual. No! You have overcome them because the One in you is greater than the one in the world!

Colossians 1:13 says, “**Who hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son.**” The natural man is under the dominion of the devil and therefore requires deliverance. But the new creation man who has been brought out of the dominion of the devil into the kingdom of God’s dear Son doesn’t need to be delivered again.

When a man is born again, the life of the first Adam, which is subject to sin and death, is supplanted by the life and nature of Christ. This new man is reborn with a brand-new life. He is a completely new species of being that never existed before.

In **2 Corinthians 5:17**, the Bible says, “**Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.**” In reality, the new creature’s origin is in God. His life comes from God, and this life can never be defeated, destroyed, or brought down.

“And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover” (Mark 16:17-18).

It’s important to note that this is not a promise but a statement of fact unveiling your true description. In other words, by virtue of your new birth, you’re no longer subject to diseases and infections. You now have within you the overcoming life of God, and that life cannot be brought down by any infirmity.

Back in the Old Testament, God told the children of Israel, “**For the life of the flesh is in the blood...**” (**Leviticus 17:11**). Their lives were dependent on the blood running through their veins. However, the moment you’re born again, your life no longer comes from your blood but from God and His Spirit dwelling in you.

John 1:12 says, “**But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name.**”

Romans 8:11 also declares, “**But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you.**”

Therefore, live every day in the reality of who you are. You’re no longer what you used to be. The life of God within you is greater than any infirmity.

FREE TO WALK AGAIN

THE LIFE-CHANGING TESTIMONY OF BISHOP VINCENT FROM INDIA

Bishop Vincent Johnson from India had given his life to the service of the Gospel. But in June 2024, his mission was suddenly interrupted, not by opposition or persecution, but by an accident that nearly cost him his leg and his future. When the doctors said the only option was amputation, he knew he had to make a choice: give in to fear or hold on to faith. For him, the answer was clear.

He was riding his two-wheeler, heading down a familiar path, when a dog suddenly dashed into his lane. In a split second, he swerved, but it was too late. The collision sent him flying into the air before he crashed violently to the ground. Dazed and bruised, Bishop Vincent's attention was immediately drawn to the pain in his leg. Blood was gushing out, as he had sustained a serious injury to his leg.

"After a while, some people came around and took me to the hospital. I got first aid treatment, and I was discharged to go home," Bishop Vincent recalls.

However, the real trouble was just beginning. Two days later, the situation took a serious turn. The injury on his leg had become infected. What began as a painful wound was now a threat to his limb. The infection spread quickly, and soon, the pain became unbearable. Every movement sent unbearable waves of pain through his body.

"I was in a lot of pain. I cried to God for help because I didn't know what else to do. I put a call through to fellow ministers to pray on my behalf."

The infection worsened rapidly, and Bishop Vincent was taken to a major hospital in Bangalore, India, where doctors examined the leg and delivered the news that his leg would need to be amputated.

"I was lying there at the hospital, in excruciating pain. I couldn't stand; I couldn't walk. I had to be helped into a wheelchair to use the washroom. It was a horrible episode; one I had never experienced in my life. The days following were filled with much suffering."

Bishop Vincent refused to accept that the story would continue like this. *"Then I said, 'Lord, you are going to heal this leg,'"* he recalls. That bold declaration was a strong conviction, and just when things seemed darkest, a solution came knocking. News of the Healing Streams Live Healing Services with Pastor Chris stirred his spirit supernaturally, igniting hope for a swift miracle.

"I knew there was no other way for me than to be at the Live Healing Services. I was eager to have the man of God, Pastor Chris, pray for me."

Despite being frail and bedridden, Bishop Vincent began to prepare for the healing services with unwavering expectation. He registered, prayed, and positioned himself for an encounter with the miraculous. Every day leading up to the Healing Streams became a count up to transformation.

From his home in India, he tuned in to the Healing Streams with a heart full of faith and eyes fixed on the screen. And then, the moment he awaited came. Pastor Chris began to minister with power, declaring healing to everyone participating across the globe. Bishop Vincent received his healing instantly.

Radiating with joy and overflowing gratitude, Bishop Vincent testified at a recent healing service. *"As Pastor Chris prayed during the healing services, I experienced the healing touch. Now I am totally healed. I can jump, run, walk, and drive again. I can go anywhere and do the ministry work wonderfully. Glory to God!"*

"I thank God for bringing me here to testify of the Great God and the healing ministry of the man of God!" Then, with childlike freedom and no trace of pain, he jumped and lifted his legs with ease, boldly demonstrating the miracle he had received. The power of God had touched him, and the evidence was undeniable.

In one divine moment, the wound was healed. The infection disappeared. The verdict was overturned. The same leg, once scheduled for amputation, was now pain-free and strengthened.

In one divine moment, the wound was healed. The infection disappeared. The verdict was overturned. The same leg, once scheduled for amputation, was now pain-free and strengthened.

Wrapping up with a special note about Pastor Chris, he shared, *"I love the man of God so much. He prayed for me, and my healing took place. His ministry has changed my life forever."*

More touching is Bishop Vincent's message to others who are expectant for a miracle: *"The mighty hand of God will be touching the nations through the Healing Streams. Get ready to be healed!"*

Today, Bishop Vincent is back to fulfilling his calling without limitations, preaching the Gospel and serving God with renewed vigor. His testimony is a beacon of hope for many around the world who are believing for their miracle. Every day, he's excited about his life and grateful to God for making him whole!

Lavish Blessings & Global Impact

The "50 Days of Surplus Grace" Story

In February 2025, there was a sacred call that stirred the hearts of God's people all over the world. For the full preaching of the Gospel through the Healing Streams Live Healing Services, the 50 Days of Surplus Grace was announced.

It was an opportunity for all to make full proof of the grace that had been released through prophetic utterances made by the man of God at the beginning of the year.

It was a divine call to purposeful partnership that has become a journey of transformation, marked by extraordinary blessings. Extending the impact of the Live Healing Services, the 50 Days of Surplus Grace amplifies and sustains the program's global reach.

From the moment it launched, partners everywhere responded with passionate faith. They gave generously with joyful expectations, believing in the vision to take healing to every man in every nation.

As they sowed their seeds, doors flung open, promotions came unexpectedly, businesses expanded, debts were cancelled, health was restored, and testimonies of divine intervention poured in.

Today, the 50 Days of Surplus Grace is a story of God's people rising together, united in purpose, driven by love, and empowered by grace. After three seasons of the campaign, it is a living testimony of divine alignment. The Gospel is spreading, healing reaches the nations, and those who give are lavishly blessed, again and again.

Overflowing Blessings – Charlotte Shares

"After being on the same salary for a long time, I longed for a change in my career and a well-deserved raise. Even though I consistently gave my best at work, promotion seemed out of reach. I prayed about my situation and decided to participate in the 50 Days of Surplus Grace. Then, unexpectedly, a new job opportunity came my way. I applied, and to my

delight, I got the job! My new salary was more than double my previous pay. God didn't just meet my expectations—He exceeded them. I'm so grateful for the 50 Days of Surplus Grace and the amazing doors it opened for me."

Abundant Harvest – Favour's Testimony

"At the start of the year, I made a pledge to partner with the Healing School for the entire year. It was a huge amount for me, and I didn't have the money then, but I wrote it down in faith and began saving toward it. During the 50 Days of Surplus Grace, our Pastor encouraged us to give daily. I took it to heart and began giving every day. Soon, opportunities started opening everywhere, and I no longer struggled to get money. Then, in just one day, I got a job that paid me the exact amount I had pledged for the whole year, enabling me to fulfill my partnership commitment in full. Indeed, it has been surplus grace all the way."

These testimonies are a glimpse of the mighty move of God unfolding across the globe. Every seed you sow is an investment in the salvation of souls, bringing healing to the sick and igniting transformation in lives everywhere.

Join the frontline as a soldier and financier of the Gospel, and watch as grace upon grace floods your life in ways beyond imagination.

SPECIAL MIRACLES WITH THE HEALING TO THE NATIONS MAGAZINE

RESTORED TO LIFE

My name is Deacon Chike. I live in the United States. On February 4, 2025, we were admitted to the hospital for the delivery of our baby. We got in around noon, and they started inducing labor. Though medication was given, the labor didn't progress enough for a natural delivery. By the early hours of the next day, we had to opt for a caesarean section because the baby's heart rate began to drop.

The baby was delivered successfully, and we were overjoyed. But shortly after, a nurse came into the room where I was with the baby and said I needed to return to the theater urgently. When I got back in, I was shocked. My wife was hemorrhaging, and there was so much blood! I asked what happened, and they told me that while trying to stitch her up, they discovered fibroids and attempted to remove them. In the process, they had cut a major artery.

My wife became unresponsive; she had gone into a coma from the blood loss. They gave her blood, but it just kept gushing out. The doctors were confused and said they needed to take her to another theater to perform embolization. In the waiting room, I kept praying. But they kept moving her from one theater to another because the equipment kept failing.

Hours passed. Still no news. Then, the Holy Spirit reminded me that my wife had packed the Healing to the Nations Magazine. I picked it up and gave it to a nurse to get it to her. Minutes later, she returned with a picture showing the magazine placed under the pillow.

Not long after, another nurse came in with news that my wife was stable! I was jumping and rolling on the floor, elated. I sent the magazine in, and the situation turned around. The bleeding stopped, the doctors knew what to do, and she came out of the coma. This was indeed a miracle!

My wife was restored to life from a coma because of the Healing to the Nations Magazine. Within three days, she recovered so quickly and was back on her feet. Glory to God! Thank you, Pastor Chris, for making the Healing to the Nations Magazine available to us and to people globally.

A Supernatural RELEASE OF BLESSINGS AND HEALING TO THE NATIONS

A Report on the Healing to the Nations Crusades

God is gathering the greatest harvest the world has ever seen in these final days of the Church. These are prophetic times, a fulfillment of the Master's words in **Matthew 24:14**, **"And this Gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come."**

Earlier in the year, as declared by Pastor Chris, the global mission of the Church entered a defining phase. There is an intensified urgency, a divine drive to reach every nation, every city, and every soul with the Gospel of Jesus Christ. The vision is unfolding in a higher dimension, and the Church is advancing with purpose and power.

An embodiment of this mandate is the Healing to the Nations Crusade, a Spirit-orchestrated campaign carrying the healing power of Christ to the ends of the earth. It is God's strategy for the end-time harvest, mobilizing people for the full preaching of the Gospel.

Propelling the Healing Streams Live Healing Services into new levels of global coverage and influence, thousands of Healing to the Nations Crusades were held in diverse nations and territories. Led by ministers of the Gospel, youths, and Healing Streams ambassadors around the world, this massive mobilization saw thousands gather in city centers, open fields, large tents, stadiums, and community halls. These gatherings became places of divine encounters, where multitudes assembled to hear the Gospel, witness the miraculous, and participate in the Healing Streams.

From Latin America to Asia to Europe and across the world, the Healing to the Nations Crusades have ignited a wave of healing, restoration, and salvation. Entire cities have been shaken by the power of God as the message of Christ's healing and saving grace resounds through the streets. Each crusade has left behind a trail of transformed lives—men, women, and children restored in health and turned

to righteousness, as the glory of God spreads like wildfire across the nations.

In Bangladesh, Pastor Selina Khatun hosted a remarkable Healing to the Nations Crusade that brought together over 6,000 people onsite and many more online from surrounding towns and villages. The atmosphere overflowed with faith, and the power of God was on full display.

"We witnessed over 2,000 people give their lives to Christ," Pastor Selina shared. "Many were healed. Among them, a woman who hadn't walked in seven years took her first steps, and a man who couldn't see suddenly received his sight. We saw these miracles happen before our eyes."

"The impact went beyond the crusade ground. The event raised awareness of the Gospel, spreading the love of Christ and demonstrating God's healing power in the communities. Hospitals, government circles, and the general public now know that healing is in Jesus."

The Healing to the Nations Crusade in Bangladesh left an indelible mark on the region, igniting a fresh move of God that continues to grow. Beyond this one nation, the testimonies from these crusades are resounding across the world. In city after city, the power of God is visibly at work. The Healing to the Nations Crusades have become a portal for supernatural experiences bringing healing, deliverance, and a flood of salvation to every man's world.

The Gospel is prevailing. Healing is flowing. As lives are changed and nations are stirred, God's glory is covering the earth like never before. And yet, this is only a glimpse of what's to come. The call remains urgent. More territories await, more souls are ready and the time is now.

SALT

THE STAPLE YOUR BODY NEEDS

documentaries
on health

For decades, salt has been labeled as a major health risk linked to high blood pressure and heart disease. As a result, low-salt diets have been widely promoted as essential for good health. This widespread belief has left many people unknowingly salt-deficient, experiencing symptoms such as chronic fatigue, brain fog, hormonal imbalances, low immunity, and poor digestion.

The misconception that salt alone is to blame for sodium-related conditions like high blood pressure and heart disease oversimplifies the issue. In reality, it's the combination of poor nutrition and a lack of physical activity that poses the greater threat to heart health.

Salt is beneficial for your health. As unfamiliar as it sounds, it is true. Have you ever noticed that most bodily fluids - sweat, tears, saliva, urine, and even blood - are salty? This is because the human body runs on salt. It serves as a catalyst for numerous bodily functions.

Salt supports essential functions like nerve signaling, muscle contractions, fluid balance, and the production of stomach acid necessary for digestion. Without enough salt, the adrenal, thyroid, and immune systems can't function. Rather than avoiding salt, it's important to understand its essential role in maintaining health and vitality.

Additionally, there is a better option for salt. The unrefined ones are a healthier alternative as they contain more minerals and no toxins. Here are 7 reasons to consider adding more salt to your diet.

Enables Nerve Impulses and Brain Function

Salt helps transmit electrical impulses in the brain and nervous system. Without enough sodium, communication between neurons slows, leading to brain fog, fatigue, and delayed reactions. Adequate salt keeps your mind clear and body responsive.

Regulates Fluid Balance and Blood Volume

Sodium and chloride maintain hydration by directing water to the right compartments: inside cells, tissues,

and the bloodstream. Low salt can cause dehydration, low blood pressure, and dizziness—even if you're drinking water.

Aids Digestion and Nutrient Absorption

Chloride from salt helps produce stomach acid, essential for breaking down food. Salt also assists the small intestine in absorbing key nutrients like glucose and amino acids, which are critical for energy and vitality.

Strengthens the Immune and Hormonal Systems

Salt activates immune cells and supports the adrenal glands in producing hormones like cortisol and aldosterone. Low salt intake can weaken immunity and lead to symptoms of adrenal fatigue, such as mood swings and exhaustion.

Helps the Thyroid and Iodine Work Effectively

Iodine needs sodium to be effectively absorbed. Iodized salt helped eliminate goiter in the past. Cutting salt increases the risk of thyroid dysfunction and iodine deficiency.

Enhances Muscle Function and Prevents Cramps

Muscles contract and relax through sodium-potassium exchange. Inadequate salt intake can cause cramps, spasms, and weakness, especially for athletes and those in a hot climate.

Has Spiritual Significance

In Mark 9:50, Jesus said, "Salt is good." Spiritually, salt symbolizes purity, preservation, and faithfulness. Just as salt enhances flavor and preserves food, we are called to enrich the world with integrity and grace.

Far from being harmful, when taken in moderation, salt is a necessary part of a healthy diet. A salt deficiency can lead to serious health problems. When combined with a wholesome diet and active lifestyle, this simple staple supports the body's essential functions and helps maintain overall long-term health.

FAITH'S PROCLAMATIONS

OF HEALING & HEALTH

“We having the same spirit of faith, according as it is written, I believed, and therefore have I spoken; we also believe, and therefore speak...” (2 Corinthians 4:13).

Many times when people face difficult situations, they want to tell others about it because they think they may just die in that trouble. The truth is, you're not supposed to tell what you're going through but to tell what God's Word has done for you. Our responsibility is to testify the Word. Get to the Word of God and discover for yourself what Christ accomplished for you; then accept it and say it!

There may be a medical report that shows something has gone wrong with your physical body. Your first reaction shouldn't be to find someone to share that negative report with; you ought to declare the Word of God concerning you, which you believe in your heart. That's the fight of faith! And when you stick to the Word, you're sure to have a testimony!

CONFESSIONS

I am constantly mindful of God's indwelling presence and power, which gives me dominion over sickness and disease. Fear, worry, darkness, confusion, and uncertainty have no place in me. I take advantage of God's presence and bask in the glory and transformation that it brings.

I have been brought into a life of unending joy, joy that comes from my inner man and transcends physical circumstances. My joy is of the Spirit; it is everlasting and cannot be dampened by sickness or infection. I am ever strong and alive, and confident that the joy of the Lord is my strength!

I do not worry about my health or anything else because the Lord has perfected all that concerns me. My body cannot be overtaken by sickness, disease, or infirmity because it is God's sanctuary. I glorify God in my body, and it functions perfectly at all times by the Spirit.

The rhema of God that changes things is always in my mouth. In the Name of Jesus, I am healthy and strong. My organs are invigorated by God's power. I am excellent and full of glory, for the life of God in me is greater than sickness, disease, poverty, or failure.

I am alive unto God, and my body is vitalized by the Spirit of the Living God. I am immune to satanic attacks. I am disease-proof and without blemish. I dwell in health all the days of my life.

Blessed be God! For in Christ, I have the victory over death. The life I now live, I live by the faith of Christ who loved me and gave Himself for me! The God-life in me makes me supernatural and impregnable to sickness, disease, failure, death, and the devil. I walk in triumphant victory always.

I have power over all the abilities and strategies of the devil. No matter how he tries, or by whatever means he attempts to attack my body, the Name of Jesus gives me the advantage and causes me to triumph always. Nothing and no one can prevail against me.

I have received boundless grace to reign in life with victory over sickness and death. I have eternal life, which makes it impossible for sickness or disease to dominate my body. I rejoice exceedingly because no infirmity can corrupt or ravage my body.

I am living the good life prearranged for me before the foundation of the world. I live in prosperity, victory, glorious health, and dominion that Christ wrought for me. My spirit, soul, and body are subject to the Word of God and the influence of the Holy Spirit! I grow and prevail by the word everyday.

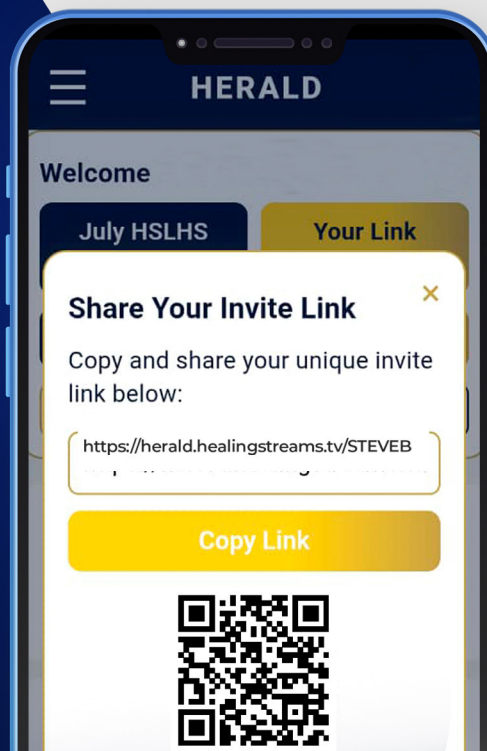

My life is the expression of all that Christ represents. His divine life is manifested through me, and I live in the consciousness of my origin in Him, knowing that the life I have is superior to sickness, disease, and defeat. Blessed be God!
