About Us

The David Buttaro Cancer Foundation was started by the family of David Buttaro, to honor his legacy and to keep his memory and vision alive by generously giving back to the community to those affected by a cancer diagnosis. David started this journey when he was diagnosed with cancer in 2010 and wanted to help everyone he could seeing the hardships firsthand as he was going through his treatments.

David passed away in 2013 but this foundation is a way to keep Dave's BIG, compassionate heart alive.

100% of all proceeds from our events are given away.
