A photograph of a modern, glass-enclosed elevator shaft. The shaft is made of metal and glass, with a red overlay at the bottom. The text "楼宇自动化大类" is written in white on the red background. Below it, the text "BUILDING AUTOMATION PRACTICAL SERIES" is written in white. The background shows the interior of the shaft, with a metal platform and a glass wall. The lighting is bright, and the overall color scheme is blue and white.
