Acknowledgement of Country

Multicultural Association of Property Professionals (MAPP) Inc. acknowledges the enduring connection of First Nations Australians as the traditional custodians of the lands and waters across Australia, with a special recognition of the Kulin nation peoples within the area where MAPP Inc. operates. We pay our respects to the Elders, both past and present, of Country, and honour the cultural diversity within First Nations peoples. Our mission/purpose is to celebrate the vibrant multicultural communities within the Property Industry, and extend this respect to valuing the distinct contributions and embracing the cultural diversity that enriches the collective experience of our industry

About us

Multicultural Association of Property Professionals (MAPP) Inc. is a not-for-profit body established to address the cultural diversity gap in senior leadership in the property industry from 'ground-up'.

Our aim is to create a platform, acknowledge and celebrate diversity in the property and construction industry by connecting and empowering professionals from diverse cultural backgrounds.

Mission Statement

Our mission is to:

1. Acknowledge, embrace and celebrate cultural diversity within the property and construction industry
2. Foster a platform to connect property professionals from diverse cultural backgrounds
3. Empower individuals and facilitate pathways to provide equal access for professional growth and success
4. Advocate cultural diversity in senior leadership within the property industry.
5. Promote awareness and education to remove cultural biases.

Founder / President

“With over 15 years of experience in the property industry, my move to Australia in 2016 highlighted a significant gap in our field. I observed a lack of platform for individuals from diverse multicultural backgrounds to connect and support one other. This realization served as the inspiration behind establishment of MAPP inc.”
