1. Introduction

PindCoin is more than just a meme coin — it’s a cultural movement that brings the values of Punjab’s rural communities to Web3. Designed to empower individuals, promote digital literacy, and spark grassroots adoption of blockchain, PindCoin bridges the gap between tradition and technology.

2. Mission & Vision

Mission:

To enable rural communities to access and benefit from decentralized finance through a culturally relatable and community-driven token.

Vision:

A thriving ecosystem where every village can use blockchain for everyday needs — payments, identity, and more — without needing to rely on traditional banking systems.

3. Tokenomics

Category	Allocation	Tokens	Description
Public Sale / Liquidity	47%	470,000,000 PIND	PancakeSwap liquidity & initial trading
Community Airdrops	8%	80,000,000 PIND	Free tokens to early supporters, contests
Marketing & Partnerships	10%	100,000,000 PIND	Influencer deals, promotions, sponsorships
Team Reserve	13%	130,000,000 PIND	Locked; vested over time to ensure commitment
CEX Listing Reserve	9%	90,000,000 PIND	Reserved for listing on major exchanges

Staking & Rewards	10%	100,000,000 PIND	For token holders and long-term supporters
Social Welfare Program	3%	30,000,000 PIND	Activated at \$1 to fund village initiatives
