EXT. VIDEO SHOOT - BROOKLYN NY - DAY

Two rappers (GYM/ICE) are standing on a desolate block. At the start of the verse, a guy who appears lost, holding a designer bag is seen approaching Gym and Ice. When he gets a bit closer and sees them, he changes his mind and decides to turn around.

Gym, however, has already seen the VIDEO VICTIM and puts his hand on his shoulder as he tries to walk away. VV turns around and puts his hands up. Gym flexes on him and makes the Video Victim flinch.

Gym and Ice put their guns in his face and force him slowly to his knees with hands behind his head. Ice opens the bag. It is full of money. Gym takes VV's chain and kicks him in the chest.

EXT. VIDEO SHOOT - BROOKLYN NY - DAY

GYM and ICE continue the mock robbery as the Gym and Ice Theme Song plays loudly. Just as we hear the end of the chorus/verse...

DIRECTOR

CUT!!!

They had very angry faces, but now Gym and Ice soften up and relax without smiling.

We see the entire set with people moving behind the cameras. Gym helps their video robbery victims up off the floor.

VIDEO VICTIM

I thought y'all was really robbing
me. Damn!

GYM

A couple months ago we woulda.

Gym and Ice walk away through the chaos of their music video set. The one shot begins. The Director yells to them as they walk away.

DIRECTOR

Give us about five minutes fellas.
To change batteries and lenses and
we'll be ready to go.

ICE
Make it 15. Smoke 'em if ya got
'em!!

Ice followed by Gym walk down the street. A Production Assistant approaches from the opposite direction.

ICE (CONT'D)
Yo let me get one of them waters,
B.

GYM
Yeah me too, you Papa Smurf looking
ass mufuh.

The PA hands them the waters as they walk by. Gym playfully smacks him in his head.

GYM (CONT'D)
Good looking, Papa!

They walk around the corner out of sight of the set.

FADE TO WHITE:

EXT. BROOKLYN STREET - DAY

Gym and Ice are leaning on a car talking. Ice is looking up and down the block cautiously while drinking his water. Gym pulls out a pre-roll and lights it.

As he puts his lighter away in his back pocket, he feels the fake gun in the small of his back.

GYM
Oh shit! I forgot I had this shit.

Gym pulls out the fake gun to take a close look. Ice immediately pushes his hand back down.

ICE
Yo, keep that shit low. You think
12 won't shoot that ass if they see
you with it?

GYM
You right, you right.

Gym conceals the fake weapon and takes another pull off his joint.

GYM (CONT'D)
 (holding in the smoke)
 You know what?...
 (exhales)
 I bet I can rob somebody with this
 shit though.

ICE
 Unless you choose the wrong
 somebody.

GYM
 Nigga... ANYBODY!!

Looking over Gym's shoulder he sees a man turn the corner wearing a large chain and talking on his cellphone, this is CHAIN MAN.

ICE
 What about this fucking guy?

Gym turns to look over his shoulder, sees Chain Man and quickly turns back with a big smile on his face. He quickly puts out his joint and ducks between the cars out into the street.

Ice looks cautiously up and down the street. He watches as Gym surprises Chain Man approaching him from behind.

Gym puts the fake gun to the side of his head and grabs him by the collar. Chain Man freezes with his hands up.

CHAIN MAN
 I'm sorry. So sorry.

GYM
 Shut the fuck up and take off your
 chain.

Gym takes the chain and gun butts Chain Man on top of his head, knocking him out. He walks toward Gym triumphantly holding up the chain.

GYM (CONT'D)
 I told you, muhhfucka!!

Gym and Ice walk back toward the set. Gym stuffs the chain in his pocket.

CUT TO.
