

## ***Gym & Ice***

**FORMAT:** Web Series | 6 Episodes | 8-12 minutes each

**GENRE:** Crime Dramedy

**LOGLINE:** Two former, unsuccessful rappers who have long since turned to lives of crime, develop a friendship and a plan to get rich... by robbing rappers.

**GYM:** High-energy, hot-tempered, and built like a battering ram, Gym is a street legend with half a toe still in the rap game. A former mixtape rapper from the early 2000s, he never landed a record deal, but his raw, autobiographical verses earned him real credibility

**ICE (40s):** quiet, strategic, and dangerous, He's built a career in armed robbery, silent entries, clean getaways, no chaos unless it's necessary. His dry wit and calm demeanor are the polar opposite of Gym's volatility

**GYM & ICE Trailer:** In the middle of their video shoot Gym and Ice take a break outside and commit a robbery on a dare.

**EPISODE 1: "BIG GAME"** At a secret high-stakes poker game hosted in a swanky Brooklyn brownstone, Gym and Ice crash the party in ski masks. With weapons drawn, they rob several up-and-coming rappers, including Sky Rizzy and Lil Smoke. It's quick, efficient, and laced with dark humor.
