## Buyer-Seller Meet

Bhimavaram, AP being the epicentre of the aquaculture production and trade in India, a huge influx of both national and international trade activity benefits all stakeholders. This unique Buyer-Seller Meet facilitates the first hand interaction of both the communities that eventually engage in business activity and reaping mutual benefits. By providing tailor-made platforms, Buyer-Seller meet enables your trade endeavours to shape up well by generating profitability and forming strategic partnerships.

## Aqua Economic Forum/Seminars

Aquaex India is hosting a series of seminars on the contemporary trends and issues that are going to shape the future of aquaculture industry. Speakers with illustrious expertise and paramount experience in Fisheries impart that much needed knowledge on a course of three days that is going to benefit all the participants. An extensive approach in topic selection makes sure that every stakeholder is benefitted.

## Business Networking Dinner

It's a perfect setting to reconnect in-person with industry leaders, customers, associates and friends. Sign up for the exclusive Networking Dinner at Aquaex India. The dinner is hosted in a relaxing atmosphere to provide you the necessary break from the tiring exposition schedules. Of course you can enjoy drinks and a four-course sumptuous dinner against live music.

## Product Launches

Dedicated slots are allocated to manufacturers to launch and showcase their products/services and upcoming technologies on the centre stage. In this manner, the brands can entice and engage with their prospective customers by creating interest and can demonstrate the features by first-hand interaction. A minimum duration of 15 minutes per brand to promulgate your products enables that much needed attention and limelight to be flooded on them as intended.

## Workshops

Aquaex India enables you to view the Fisheries and Aquaculture opportunities spectrum from various vantage points through its revolutionary first-hand experience initiative as 'Aqua-workshops'. These workshops are segregated into four zones; hatchery, culture, marketing and processing units, enabling the participants to gain insights into the core and allied facades benefit according to their trade needs.

## Advantage Andhra Pradesh

- ▶ Andhra Pradesh state is endowed with a long coast line of 974 Kms with a continental shelf area of 33,227 Sq. kms
- ▶ The contribution of fisheries sector to AP's GSDP is 6.04 %
- ▶ The overall fish production has more than doubled in past decade from 8.14 lakh MT in 2005-06 to 27.66 lakh MT in 2016-17
- ▶ Total value of marine exports from Andhra Pradesh is worth INR 17,000 Cr.
- ▶ 34.49 lakh MT of inland fisheries production
- ▶ The Fisheries sector is providing employment opportunities to nearly 14.5 lakhs people directly and indirectly

## Location Advantage

Bhimavaram being the epicenter of the production of Fisheries & Aquaculture in the nation holds the utmost significance in the sector encompassing various virtues. The West Godavari district is the hub of all fishing activities as it constitutes more than 60% of fish production of the state. As the main produce contains shrimp and fish, the overall production stands at 10,51,754 tons with a GVA of INR 10088 crores in 2017-18. Being the place which saw the inception of aquaculture and its exponential rise in A.P, it has 150000 plus aqua stakeholders and more than 40000 hectares of aquaculture.

## Visitors

Aquaex India -2025 provides ample opportunities for visitors to participate in fisheries and aquaculture expo, knowledge conclave, panel discussions, new technologies and product launches, live demos and award felicitations.

## Travel & Accommodation

Bhimavaram is well connected to the rest of the country by rail and road transport. Nearest airports are Rajahmundry and Vijayawada which are 80 kms and 120 kms respectively. There are a lot of upmarket hotels to stay in Bhimavaram whereas the most bustling metropolis of the state, Vijayawada is just two hours away. There are many star hotels in Vijayawada and the city offers various venues for your entertainment and relaxation after a hectic day. Two buses constantly shuttle between the venue and Vijayawada for your added convenience.
