How to Search & Copy Pinterest Group Board Names

Step-by-Step Instructions:

1. Log in to Pinterest on your desktop or app.
2. Go to the Search Bar (top center of your screen).
3. Type the exact board name (e.g., “Bloggging Tips + Tricks Collab Board”) into the search bar and press Enter.
4. Click the “Boards” tab under the search bar to filter your results by boards only.
5. Scroll until you find the exact board match. Look for a circle with multiple profile icons—this means it's a group board.
6. Click the board to open it and explore the content and contributors.
7. To copy the board name:
 - On desktop: Highlight the name, right-click, and select Copy.
 - On mobile: Tap and hold the name, then tap Copy.
8. Optional: Bookmark the board or save it to a secret board for easy access later.
