My love for learning and I need me before anything...

N. Jeno Baptis Melaine.

MY LOVE FOR LEARNING.

I love learning because it feels similar with me. No matter how wonderful and deep, we are glanced by our surface. Constantly used but not once understood.

Behind those cover:

Of beautiful, elegant and smart; I am life with journey as everyone.
Of numbers, IQ, words, social presentation focus for only performance or display of showcase; it is nature, knowledge of truth, documentation of observation, curiosity.

Both of us were dismissed.

My life and my emotions were dismissed while your wonderful knowledge was being dismissed.

Deep enchanting mysterious.

It is my closest friend where both of us were hurt, misunderstood and misused.

I NEED ME BEFORE ANYTHING IN MY LIFE.

I see all as whole and beautifully full individual: I need me, my fulfilment to meetup with them.

It is alignment and connection with the potential to leave while I am here with me forever.
