Home Food Delivery System

# foodyz

Traditional food

## of your native

#### Concept

Foodyz the home made food app will help people to find traditional home made food which is made by Housewife's. This will help Working individuals, Travellers & Tourist, Students, find the food of their own taste of their own region, who are unattainable to the quality of home food and also helps housewife's to earn some extra money.

#### Objective

- Helps in create bridge between the Homemade cooks and Working individual's, students, tourist etc. by putting them on the same platform.
- Working individual and bachelors get easy access to the homemade and regional food.
- Homemade cook can earn money by making food and provide it to the customers.

### Key insights of Research

 85.29% people would like to avail services that will provide them customized food

that suits their diet and taste.

- 58.89% people are health conscious and they prefer home made food over restaurant.
- 76.47% people prefer restaurant for their daily meal when they go on short term trips or official/business trips since they are not aware of local home caterer.
- 51.82% people says it is difficult to find the food of their taste.

# STYLE & COLOR

I used a tone of fresh orange , white color and neutral grey colour as a primary colors for the app.
