

If you are assigned to "Parking" you will be in one of two types.

Handicap Parking: The **lot next to The Local, the American Legion lot**, is for handicap parking. The **Post Office and bank** are for handicap parking, but only after noon on Saturday and all day on Sunday. **THERE IS NO POST OFFICE OR BANK PARKING SATURDAY MORNING.** Handicap parkers must have a handicap display on their vehicle.

Regular Parking: **Warner Power, Nichols and Split Rock** are for all other attendees. There are buses that run from Nichols and Split Rock into town. **Sunday only:** Parking is available off Joppa Road (heading east out of town, first right after the Post Office).

Volunteers in these areas are asked to have one person collect the \$5 donation and hand out brochures, and others to guide cars in and out of parking spaces. Festival Board members will come to each area periodically to collect the money and help to provide any needed change and to check on any issues. Board members will be wearing red vests.

Riverside Park is for volunteers and racers and is free.
