Incinerators																																																									
Plasma Pyrolysis																																																									
Autoclaves	— 01																																																								
Microwave																																																									
Hydroclave																																																									
Shredder	— 01																																																								
Needle tip cutter or destroyer																																																									
Sharps	— 01																																																								
encapsulation or concrete pit																																																									
Deep burial pits:	— 03																																																								
Chemical disinfection:																																																									
Any other treatment equipment:																																																									
	(iii) Quantity of recyclable wastes sold to authorized recyclers after treatment in kg per annum.	:	Red Category (like plastic, glass etc.)																																																						
	(iv) No of vehicles used for collection and transportation of biomedical waste	:																																																							
	(v) Details of incineration ash and ETP sludge generated and disposed	:	Quantity generated	Where disposed																																																					

	during the treatment of wastes in Kg per annum		Incineration Ash ETP Sludge
	(vi) Name of the Common Bio-Medical Waste Treatment Facility Operator through which wastes are disposed of	:	M/s BAARAT SECURITY SERVICES JAIPUR
	(vii) List of member HCF not handed over bio-medical waste.		
6	Do you have bio-medical waste management committee? If yes, attach minutes of the meetings held during the reporting period		YES.
7	Details trainings conducted on BMW		
	(i) Number of trainings conducted on BMW Management.		01
	(ii) number of personnel trained		52
	(iii) number of personnel trained at the time of induction		
	(iv) number of personnel not undergone any training so far		
	(v) whether standard manual for training is available?		YES
	(vi) any other information)
