

13-GAUGE CUT-RESISTANT GLOVE SERIES

Seamless 13-gauge construction covering A2-A9 cut levels with ANSI/ISEA 105-2016 compliance

PB500

4X42B

Coating: Polyurethane

PC500

4X42C

Coating: Polyurethane

SD500

4X42D

Coating: Sandy Nitrile

SE500

4X43E

Coating: Sandy Nitrile

SF500

4X44F

Coating: Sandy Nitrile

NA7500

4X43F

Coating: Form Nitrile

NA8500

4X43F

Coating: Form Nitrile

SA9500

4X44F

Coating: Sandy Nitrile

Specialized Coatings

- PU : Superior tactile sensitivity and dry grip
- Sandy Nitrile: Oil/wet condition performance and abrasion resistance
- Foam Nitrile : Enhanced comfort, vibration damping and dry grip

Engineered Yarn Technology

Optimal blends of HPPE, fiberglass and stainless steel for balance of dexterity, durability and cut resistance

13-GAUGE CUT-RESISTANT GLOVE SERIES

Features

Task-Optimized Design

Reinforced fingertips, ergonomic curvature, extended cuffs (A5+), breathable construction reducing hand fatigue

Durability & Maintenance

Machine washable with minimal performance loss, abrasion-resistant palms, reinforced wear areas for extended service life

User-Focused Comfort

Breathable knit, temperature resistance, touchscreen compatibility (selected models), S-XXL sizing with color-coded level identification

Applications

Precision Light-Duty Tasks

Electronics assembly, packaging quality control, light material handling (A2-A4 levels)

General Industrial & Warehousing

Automotive parts assembly, appliance manufacturing, logistics with sharp-edged materials (A3-A6 levels)

Metal & Glass Processing

Sheet metal handling, metal stamping, glass manufacturing, recycling operations (A5-A8 levels)

High-Risk Cutting Environments

Heavy metal fabrication, aerospace assembly, machinery maintenance (A7-A9 levels)

Oil & Wet Condition Handling

Machining, automotive repair, wet processing (All levels with Nitrile Sandy Grip)

Extended Comfort & Vibration Damping

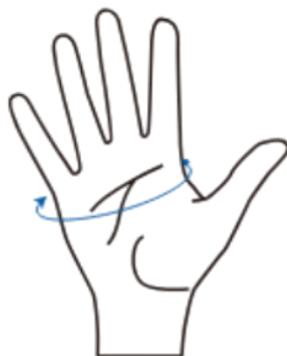

Prolonged tool use, assembly line work, repetitive tasks (All levels with Nitrile Foam coating)

Multi-Industry Versatility

Manufacturing, construction, logistics, food processing, recycling, utilities (All protection levels)

Sizing

	Size	Hand circumference	Cuff colour
XXS	5	137 mm	Pink
XS	6	152 mm	Purple
S	7	178 mm	Red
M	8	203 mm	Yellow
L	9	229 mm	Brown
XL	10	254 mm	Black
XXL	11	279 mm	Blue
XXXL	12	295 mm	Green

Packaging

1 pair/individual bag

10 pairs/PE bag with user sheet

100 pairs/carton box /shipping mark
