DELEGATE

I don't know about anyone else, but I really think this is the best time of year. The weather starts to cool off, football has returned, and there are tons of AA events and conferences going on across the state. Plus, I can now get my pumpkin spice latte from coffee shops. Don't hate, you know it is delicious.

It really feels like it's been more than just a quarter since our last newsletter. But I think that's only because this summer was incredibly full with AA and personal fun alike. In this month's issue of the Grapevine, one of the themes was Stories of Gratitude. In it, I read some amazing articles about sober members who are grateful for their sobriety. One member talked about how grateful he was when the COVID restrictions in his area were lifted and he could attend in-person meetings again. Another woman mentioned the gratitude she had towards her brother who greeted her after a blackout and told her that there was a place that could help her get her life together; it was an AA meeting, although he didn't mention that to her at the time.

It made me think of the full summer I had with my family, my friends and many of you in Area 57. My sponsor told me a long time ago that gratitude is an ACTION, not an emotion. In other words, if I am grateful for my sobriety, then I need to show it through my actions, like 12th Step Work. It is not enough to just SAY that I am grateful; I must express it through my deeds.

Here are some things going on in AA, both inside and outside of our southwest region:

- The 75th GSC Final Report should be out in digital format soon (as of 08/27 when this was written), and will be found on aa.org. The printable version is scheduled to come out some time in September
- The GSC Conference Inventory that was done at the 75th GSC will be included in summary-form in the Final Report, with a more detailed overview coming in the future
- The deadline to submit PAIs (proposed agenda items) for consideration at next year's GSC is 09/30, so it is right around the corner. I'm happy to help you, your group, or your district if you need it
- Lastly, the SWR Forum is coming up in November in Albuquerque. I will be there and I know some of you will be as well. It is a ton of fun and great opportunity to meet, interact with and ask questions directly to members of the GSB and the AA staff, who all work tirelessly for all of us, so I hope if you are in a position to attend, you consider doing so

It is hard to believe that this year is already more than halfway done. I'm going to continue to enjoy the time I have left as your delegate, doing my best to serve you and AA as a whole in the best way that I can. If you want to talk to me about anything, have any questions about things I mentioned, or think of any other way I can be of service to you, your group, or your district, you can always text or email me, at delegate@aaoklahoma.org.

See you all soon!

AREA CHAIR

As we wrap up another Quarter in Area 57, I am encouraged by the shared enthusiasm for Service in Alcoholics Anonymous. I saw members of AA in our Districts step up to take on new roles as DCM's, GSR's and Service Chairs. A big shout out to Holly and District 70! Recently, I got to attend their Picnic and District Meeting. They had several of their people step up and take on DCM roles. Outstanding! At this annual picnic, District 70 has a spectacular raffle. They raffled off pretty much everything but the kitchen sink. And most in attendance left a winner. Actually, we all won. We had so much fun, we laughed, and if you weren't sure before, you left a believer that we are not a glum lot!

I heard from many of you throughout the quarter. You shared great ideas and wonderful feedback. Thank you for taking the time to visit. I love hearing from you all! It is clear that we have an Area full of AA's that love AA.

Our September Area Committee Meeting is coming up soon, and this means that its time again for Fun in the Fellowship and our Area Assembly. Our Area Assembly convenes annually immediately following the Area Committee Meeting. Here, in a non-election year, our GSR's will discuss and vote in our forward year budget. Next September there will be an election year Assembly which means that in addition to our GSR's handling the budget, they will elect our new slate of Area Officers. Concept 1, describes where the voice of our Fellowship is derived- the Groups. The short form states: The final responsibility and the ultimate authority for AA world services should always reside in the collective conscience of our whole Fellowship. In both electing our Trusted Servant Area Officers and setting our Area's budget we practice this principal to the fullest. Our GSR's, our Groups participate in this awesome responsibility. A grateful Fellowship looks forward to this Spiritual process unfold soon, at our Assembly. I have come to believe that I came for the business but stayed for the people! Come join us.

Another installment of our Fun In the Fellowship is upon us now. We will gather the day prior to our Committee Meeting and Assembly to learn more about how to be a GSR and DCM. We will learn about Traditions, Concepts. We will hear a speaker, we will laugh, we will joke, we will fellowship together. The Fun in the Fellowship committee has been working hard and is looking forward to seeing you! Don't forget your Hawaiian shirt. Go ahead its fun. I can't wait to see who has the craziest, funniest shirt.

I am so thankful for the opportunity to Serve you all and look forward to working together as we carry the message here in Area 57!

In love and service,

Jason B.

ALT. AREA CHAIR

Hello Area 57!

I am grateful for the opportunity to serve as your Alternate Chair. As we move through the third quarter of this year, I'd like to share a summary of my activities in service to Area 57.

Service Highlights This Quarter:

- Area Committee & Assemblies: [I attended a DCM meeting in which our Policy and Procedures Chair Terry J. did a great job sharing on the life of a motion]
- Workshops: [Conducted two workshops for District 50 in Enid on Recover, Unity and Service and in Stillwater on the 5 th tradition. We had excellent panels']
- Collaboration: Worked alongside our Area Chair and trusted servants to ensure smooth communication and support across committees.
- Attended the International Conference in Vancouver in July.
- Upcoming Events: State sponsored workshop on Oct. 11 th [Area 57 Grapevine and Archives] " Submitting articles to the Grapevine and History on A.A. in Oklahoma"

Reflections:

This quarter reminded me once again of the strength of our fellowship and the importance of service in carrying the message. I am continually inspired by the dedication of members throughout Area 57 who show up, share their experience, and work together for the good of Alcoholics Anonymous as a whole.

Thank you for the privilege of serving. I look forward to continuing this work in the next quarter and encourage anyone interested in service to reach out—our Area is always strengthened when more voices join the effort.

In love and service,

Dear Fellow AA members,

As your Public Information (PI) representative, I'm excited to share updates on our efforts to carry the message of Alcoholics Anonymous to those who need it most. Here's what's been happening:

- Meeting Guide/Hotline Stickers a Success!

We've distributed nearly 100 meeting guide and hotline stickers, and they've been a big hit! These stickers are helping spread the word about AA meetings and our 24/7 hotline, making it easier for alcoholics to find the support they need. Keep an eye out for them in your community, and let me know if you'd like more to share!

- Collaboration with Salvation Army

I'm working closely with the Salvation Army to place AA literature in their facilities and ensure hotline stickers are visible outside. This partnership will help reach individuals seeking recovery by providing access to AA resources in a supportive environment.

- Outreach to Community Organizations

I've reached out to organizations like Empowered Voices to explore opportunities for placing AA literature in their facilities. These efforts aim to connect with diverse communities and ensure our message of hope and recovery is accessible to all.

Upcoming Workshops

We have a PI/CPC workshop for district 80 at the Tradition 2 group in Ardmore October 19th at 2pm

- Engaging with Districts

I've checked in with several districts and attended district meetings to stay connected and support their PI efforts. These meetings have been a great opportunity to share ideas, coordinate initiatives, and strengthen our collective outreach.

Your support and involvement are vital to our mission of carrying the AA message. If you have ideas, want to get involved, or need more stickers or literature, please reach out! Together, we can continue to make a difference in the lives of those still suffering.

CORRECTIONS

Carrying the Message: AA Outreach at Oklahoma Corrections Reentry Fairs

The recent agency-wide restriction on outside paper and paper products significantly impacts Alcoholics Anonymous' efforts to provide support during meetings and reentry resource fairs. With the prohibition on bringing in books, literature, and any printed materials, AA representatives face challenges in sharing essential resources and information with participants. This limitation also extends to promotional materials, flyers, handouts, brochures, and even business cards, which are not allowed in the facilities.

As we adapt to these changes, we are actively exploring the potential use of agency-wide tablets distributed to inmates as a means of conveying information and resources. This could help bridge the gap left by the restrictions, enabling us to continue supporting individuals in their recovery journeys while complying with the new regulations.

The Corrections Cousins

PJ & Amy

STEP SEVEN

"Humbly asked Him to remove our shortcomings."

It means recognizing we can't overcome defects of character on our own. By asking a Higher Power for help, we open ourselves to change, growth, and freedom from old destructive patterns.

STEP EIGHT

"Made a list of all persons we had harmed and became willing to make amends to them all."

Step Eight is about accountability and healing. We make a list of those we harmed and become willing to make amends. This step prepares us for action by fostering honesty, humility, and readiness to repair relationships, opening the path toward forgiveness, reconciliation, and freedom in recovery.

STEP NINE

"Made direct amends to such people wherever possible, except when to do so would injure them or others."

It means taking responsibility, making things right when we can, and exercising wisdom to ensure amends bring healing without causing further harm.

TRADITION SEVEN

"Every A.A. group ought to be fully self-supporting, declining outside contributions."

This tradition protects A.A.'s independence and integrity.

By funding our own activities through members' voluntary contributions, we avoid outside influence or control. It emphasizes responsibility, unity, and the spiritual principle of giving back to sustain the fellowship.

TRADITION EIGHT

"Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers."

It means A.A. members freely share their experience, strength, and hope without payment, keeping recovery based on service, not profit. Paid staff may handle necessary tasks, but Twelfth Step work remains voluntary.

TRADITION NINE

"A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve."

It means A.A. relies on trusted servants, not rulers. Our fellowship stays simple, flexible, and guided by group conscience rather than rigid organization or authority.

CONCEPT SEVEN

"The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness."

A.A.'s trustees hold legal authority to manage world services, but real power comes from the Fellowship's conscience and financial support. This balance ensures trustees can act responsibly, while ultimate authority remains with the groups through trust, tradition, and voluntary contributions.

CONCEPT EIGHT

"The trustees are the principal planners and administrators of over-all policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities."

Trustees delegate daily service responsibilities to A.A.'s corporate boards, staff, committees, and executives. While trustees hold final responsibility, these trusted servants carry out the work. This balance allows effective operations while ensuring accountability, preserving both efficiency and A.A.'s spiritual principles in world service.

CONCEPT NINE

"Good service leadership at all levels is indispensable for our future functioning and safety."

Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees."

Concept Nine emphasizes good leadership at all levels of A.A. Trusted servants need vision, integrity, and the ability to guide with humility. While authority rests with the groups, effective leaders help carry out A.A.'s mission, balancing responsibility with accountability to ensure unity and faithful service.

Examining the 7th Tradition

Your Seventh Tradition Contributions Help Carry the Message

Contributions made by you and your home group to the General Service Board support the work of your General Service Office (GSO) to help the alcoholic around the corner – and around the world. **Your contributions make possible essential member services and support for those seeking help.**

1 Our public service announcements (PSAs) offer powerful messages of hope to the suffering alcoholic. The Public Information desk coordinates production and availability of TV and radio PSAs for GSO and local campaigns in English, French, and Spanish. Our TV PSAs have reached close to 600 million viewers, airing on more than 71,000 stations across the U.S. and Canada and on our YouTube channel. aa.org/resources/media.

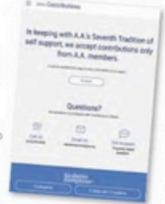

2 In response to many correctional facilities going paperless, Grapevine and AAWS Publishing collaborated on a multi-year project to make A.A. literature available on more than 400,000 tablets in jails and prisons. For more information on tablets and the A.A. literature available please contact corrections@aa.org.

3 In 2023 the Corrections Correspondence Service (CCS) database created 1,355 matches presenting 2,710 members with the opportunity to engage in Twelve Step work. In addition to coordinating thousands of CCS participants, the Corrections Coordinator continues to answer 300 letters each month from members.

4 Your contributions help make the A.A. message accessible to all. The Accessibilities desk continually updates service material such as the accessibilities check list for groups. This desk also has produced ASL versions of the Big Book and Twelve & Twelve, now available on our YouTube page and on aa.org. For members with vision loss, audio versions of the entire Big Book and Twelve & Twelve are available on aa.org.

5 The Technology Department is always looking for ways to streamline workflows. The contribution portal has been updated to make it easier for groups and individual members to contribute online.

6 Regional Forums are an opportunity to bring the General Service Board, AA Grapevine and GSO office staff to the fellowship to foster communication and trust. There are also Local and Special Forums available upon request. These are intended to provide a Forum experience to A.A. members while meeting cultural, accessibility and population considerations for those unlikely to be able to attend Regional Forums due to geographical location, sparsely populated or urban areas. Please contact regionalforums@aa.org for more information.

7 The Publishing Department is always hard at work. They manage literature revisions and keep A.A. books and pamphlets available so the message of recovery can be carried to the sick and suffering alcoholic.

8 With a half-million monthly users throughout the U.S., Canada, and the world, the A.A. Meeting Guide app has transformed how people find meetings. The app is managed by the Communication Services department, which continues to enhance the app's functionality to optimize the user experience.

9 In 2023 the Staff Services department received approximately 165,000 emails and 1,700 phone calls from A.A. members, professionals, the media, and alcoholics needing help. The Member Services department continues to respond to inquiries from members covering everything from ordering literature to listing groups.

10 Member contributions made possible the complete redesign of our website aa.org in 2021 and the ongoing updating of the site to make our life-saving information easier to find, view, and share. Today, the site sees more than 800,000 visitors per quarter with consistent growth in both the number of visitors and engagement with the site content.

11 Professionals in nearly every field encounter problem drinkers but may not know much about A.A. The Cooperation with the Professional Community desk provides accurate, up-to-date information about A.A. to professionals in a variety of ways, including a newsletter, regular posts on the A.A. LinkedIn page, supporting local committees to exhibit at national professional conferences, and meeting with professionals in their area to inform them about A.A.

12 Archive preservation activities help to ensure that the Fellowship's records are safely preserved and accessible to members. In 2023, GSO Archivists preserved thousands of vital historical documents and photographs, utilizing archival quality housing enclosures that provide physical support, protection and handling. Archival materials are housed for long-term preservation based on size, format and composition and contributions make this all possible. aa.org/aa-archives.

Self-Supporting through the 7th Tradition

If each member sent in \$1 per year...

1939 = \$1.00

2024 inflation = \$21.37 today

Otherwise, this heartbreaking mail would have to go unanswered...

Per the GSB Treasurer, for 2024, **if each A.A. member in U.S. & Canada, one time this year, contributed \$6.48 directly to the General Service Office, we would be self-supporting!**
We're not even keeping up with inflation!

F-3

Self-Supporting through the 7th Tradition

Each A.A. member may contribute up to **\$7,500** annually. If you're not an A.A. member, we don't want your money!

The **bequest amount** limit recently increased from \$10,000 to **\$12,500**.

Have you considered the **A.A. Birthday Plan** contribution?

Head to aa.org/aa-contributions-self-support

Remember to contribute online when possible!

It costs only \$2.93 to process when done online, whereas mailing in a check costs \$5.60! **That's a savings of \$2.67 per transaction.**
