Experience*

# BIO

**Faylasuf** is a hybrid electronic artist known for his live performances fusing Guitars, Vocals, Drums and Mashines into a distinctive, high-impact live show.

After a first career in robotics and software engineering, he turned toward an artistic path driven by his **passion** for music and **composition**.

Today, he performs worldwide; **from Monaco to Dubai**, moving seamlessly between electronic stages, world music and jazz festivals.

Supported by a growing global audience, his music reflects his travels and artistic explorations, **crystallizing emotions** into immersive and expressive soundscapes
