

# PRIVATE CREDIT & POWER STRUCTURE SERVICES

Offered by Minister Page & Nicholas – Private, Lawful, Tactical

We don't play in the public sandbox. We operate lawfully and privately, using real contract, lawful standing, and financial strategies rooted in Title 15 compliance, agency, and jurisdictional correction. This is not credit repair. This is governance, structure, and access. Below are our three service tiers — each crafted for serious clients only.

## SERVICE 01:

### CREDIT CLEANUP & COMMERCIAL SETTLEMENT RECOVERY

We don't hope to fix your credit — we succeed. Our service delivers a perfected credit report and restored financial power using lawful methods under Title 15 and the Fair Credit Reporting Act (FCRA).  
- Full removal of fraudulent or misreported entries. - Restoration to 800+ tier score through lawful correction and pressure. - Commercial settlement fund recovery (when applicable). Typical timeframe is between 3 months and 1 year depending on complexity, response windows, and severity of fraud. This service is jointly operated by Nicholas and Braden — every file, every step.

## SERVICE 02:
