Career Opportunities:

JRS College's Computer Networking Technology program delivers cutting-edge training in network administration and technical support. We teach the practical skills you need to get hired, including preparation for valuable networking certification exams.

- Preparation for Linux, CompTIA Net+, and CompTIA Security+ certification exams
- Expert instructors with decades of professional IT experience
- Financial assistance may be available to those who qualify
- Career support to find your first job after graduation

WHAT DOES A COMPUTER NETWORK TECHNICIAN DO?

Network technicians and administrators are responsible for overseeing, optimizing, and protecting a company's computer network.

- Typical tasks for this role include:
- Installing network hardware and software
- Troubleshooting hardware, software, connectivity, and server issues
- Installing and configuring individual workstations
- Training users and providing technical support
- Updating software as needed
- Monitoring network security
- Performing backup operations
- Performing disaster recovery procedures
- Configuring cloud services
- Identifying ways to optimize the network infrastructure

Admission Requirements

- Minimum of a Canadian high school grade 12 or equivalent (Ontario high school diploma or equivalent) or a mature student (19 years of age or older and has been removed from full-time high school for a minimum of 2 years)
- *Students applying as mature students must demonstrate appropriate levels of math, English literacy, comprehension, and/or writing skills to warrant success and completion of the program

Graduation Requirements

To successfully meet the program outcomes the student must:

- Achieve a minimum mark of 65% in all of the module assignments and exams
- Achieve a satisfactory rating in the internship evaluation

Career Opportunities:

Technical Support Specialist | Service Technician | Network Administrator | Network Operations Analyst | Computer Support Specialist | Network Security Analyst | IT Project Manager

Add income. Entry-level positions start at \$49,570 per year, while most experienced workers make up to \$75,071 per year.
