Professional Support for Schools and Educational Leaders

At **Labyrinth Education**, we are committed to strengthening educational communities through expert guidance, practical solutions, and collaborative partnership.

Our experienced leadership team brings a wealth of knowledge across diverse educational settings and is always willing to provide tailored support to meet the unique needs of your school.

As part of our extended services, we proudly offer professional expertise to local schools, focusing on the following key areas:

Leadership Coaching

Effective leadership is the foundation of school success. We provide:

- Executive coaching for senior leaders
- Middle leadership development
- Strategic planning and school improvement guidance
- Mentoring for aspiring leaders

Our coaching approach empowers leaders to build confidence, clarity, and sustainable impact across their school communities.

Whole-School SEND Support

Inclusive education requires a strategic and informed approach. We support schools with:

- Whole-school SEND reviews and audits
- SEND policy development and implementation
- Staff training and capacity building
- Provision mapping and targeted support strategies

Our aim is to help schools create inclusive environments where every learner can thrive.

Behaviour Approaches

Positive behaviour systems underpin a successful learning culture. We provide:

- Behaviour policy review and development
- Whole-school behaviour strategy implementation
- Staff training in consistent behaviour approaches

- Support for restorative and relational practices

We work alongside schools to establish clear, consistent, and compassionate behaviour frameworks.

Progress and Intervention

Improving outcomes requires informed, data-driven action. Our support includes:

- Analysis of pupil progress and attainment
- Strategic intervention planning
- Monitoring and evaluation frameworks
- Targeted support for vulnerable groups

We help schools ensure that every intervention is purposeful, measurable, and impactful.

Therapeutic Support

Recognising the importance of wellbeing in education, we offer:

- Trauma-informed; Occupational; Speech and Language therapeutic practice guidance
- Therapeutic strategies for classrooms
- Emotional regulation support systems
- Staff training in supporting pupil wellbeing

Our therapeutic approach supports both students and staff in fostering safe, nurturing learning environments.
