

Student Portal App – Quick Start Guide

Version: July 2025

Platform: Android

1. Register your account

1. Open the app and tap **Register** on the splash screen.
2. Fill in the required fields:
 - **Full name** – as in college records.
 - **Email address** – use your institute email if possible.
 - **Password** – minimum 6 characters.
 - **Roll No** – **must exactly match the format shown in the ERP portal** (e.g. 22AG0986). *This links your attendance to you correctly.*
3. Tap **Register**.

Screenshot 1: Completed Registration form showing Roll No 22AG0986.

After a successful toast, the app returns to the Login screen with your roll no and password pre-filled.

2. Log in

1. Fill in your **Roll No** and **Password** fields.
2. Tap **Sign In**.

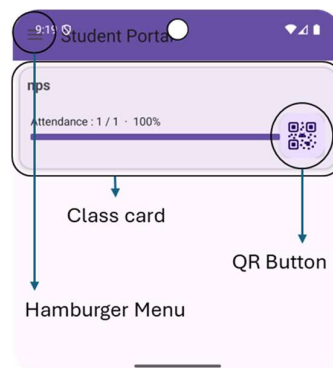

Screenshot 2: Login screen with fields pre-filled.

3. Home screen (Dashboard)

The Home screen displays today's classes in chronological order.

UI element	Purpose
Class card	Subject name, time, teacher. Tap to open the QR scanner when the class starts.
QR button	Generates <i>your</i> QR code for the current period; the faculty scanner records your attendance.
Hamburger menu	Opens the side drawer with extra sections (My Classes, Profile, Settings).
