

# WATERCOLOR MATERIALS FOR LEVEL 1

In order to follow demonstrations and achieve similar results the following supplies will be needed

## PAINTS

Set of 10 tube watercolors paints  
Windsor Newton Cotman or Talens Van Gogh  
watercolor sets. Purchase only one of the two.

## BRUSHES

One set of short handle, synthetic watercolor  
brushes. The set should have at least 4 sizes  
of round brush and two flat brushes

## PALETTE

We will use a larger inexpensive watercolor  
palette to allow for more mixing space. If you use  
a small watercolor palette it can be used, but you  
may have difficulty with limited mixing space

## LINKS TO PURCHASE WATERCOLOR SUPPLIES

Please visit my website to find links to the  
supplies listed below.  
Each of the items below is linked to the product  
at either Amazon or Michael's Arts and Crafts  
[cushworthwatercolor.com/materials-needed](http://cushworthwatercolor.com/materials-needed)

## WATERCOLOR PAPER

We will use Canson 140 lb cold press  
Watercolor paper 9" x 12". Other brands can  
be used by they need to be 140 lb and Cold  
Press.

## MASKING FLUID/ERASER

In some lessons we will use masking fluid.  
Most brands work well. You will also need  
a kneaded eraser.

## MASKING TAPE/RULER

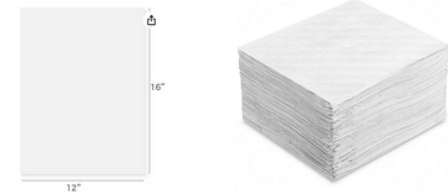

You will need a roll of masking tape to tape  
paper to board and for creating tape  
boarders. Needed also is a 12" ruler.

## CHECK FOR SIMILARITY

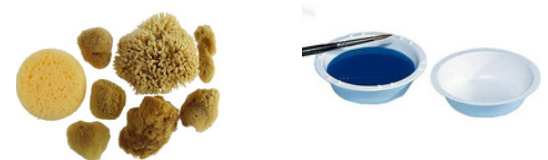

If you already have some of the supplies  
listed below please use them for the class.  
Make sure they are similar in kind and quality  
to the materials below. For instance, pan  
watercolors will not work for the class that is  
using tube waterolors

## FOAM BOARD/NAPKINS

A foam or cardboard board is needed to hold  
the taped watercolor paper. Also needed is a  
pack of napkins for wiping the brush

## PAINTING SPONGES/WATER CUPS

A pack of watercolor sponges and two water  
cups for cleaning brushes during painting.

## NO.2 PENCIL/SHARPENER

For marking and drawing a no. 2 pencil or HB  
pencil and sharpener
