Tomorrow is our Food Bank Food Fight!

It will be running from 1pm on our Oval. If you would like to help us out, we would love to have you.

The Food Fight involves throwing slime, coloured powder and coloured water. No food is involved. Please ensure that your student has appropriate clothing to get messy in. No uniform is required on Thursday. If students do not want to participate, that is fine.

School will finish at 2.30pm, buses will run after the final bell. All bus students **must** bring a change of clothes to travel home in.

Our online fundraising is open until the end of the school holidays, so please continue to donate to this worthy cause!

Vicky's Message

What a great start to the year!

I have really enjoyed getting to know our new Foundation students and the families who have started at APS this term.

I have also loved teaching 5/6B (getting back to my roots!). I am, however, relieved that Mr Jack Savenye has joined us to teach 5/6B every day except Wednesdays. I will be in the classroom each Wednesday keeping my skills sharp!

Jack will be leading Mathematics with the aim of improving teaching and learning in that area. Jack brings a great deal of experience and expertise. He has been teaching at a large Prep to 12 school in the eastern suburbs of Melbourne. I know you will make Jack feel welcome!

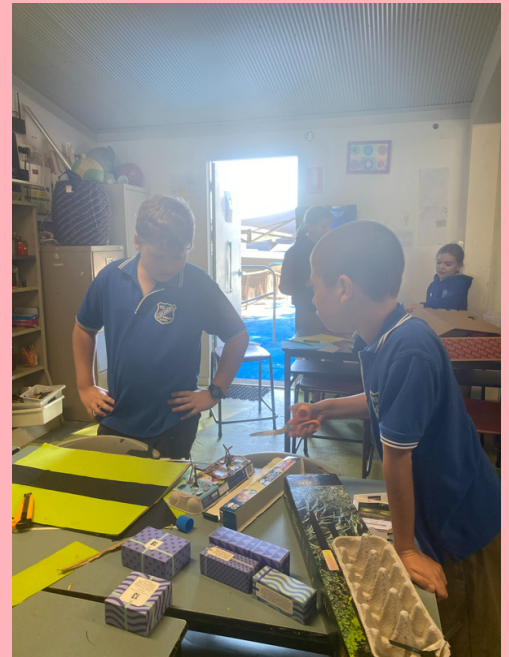

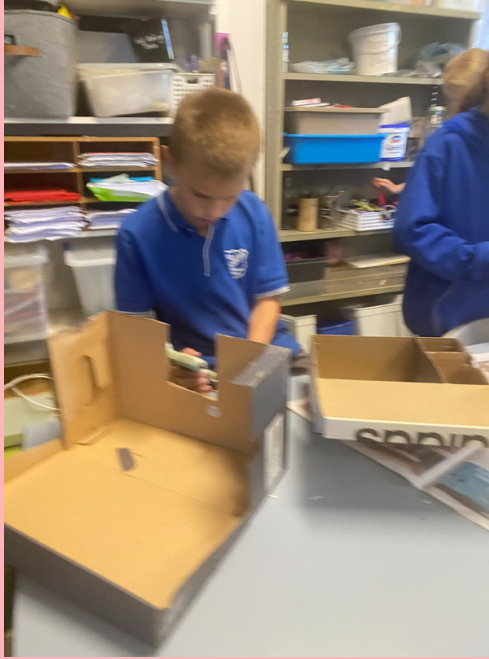

Thanks again for your support. I am particularly appreciative of the care you have all shown towards me as I have struggled through the last 6 months!

Have a wonderful break.

See you in Term 2!
Vicky

Art with the 5/6s

In Art this term the 5/6s have been building city skylines for the Art Show. They have been using recycled materials to create multimedia artworks.
