2023 Voluntary Financial Contributions

Family Voluntary Financial Contributions assist in covering all consumables including stationery items that students require throughout the 2023 school year. If you have not yet paid your fees, we are still accepting payment. Contact the Office for more information.

ANZAC Service – P2
Achievement Awards – P3

ANZAC Service

It was lovely to have some of our students represent APS at the ANZAC service on Tuesday Morning. The soldier spoke of the importance of remembering those who fought, mateship and the importance of keeping the ANZAC spirit alive.

Star of the Week

Beau Nash - 3/4B

Beau has been a kind and supportive friend this week. Beau has shown that he can be relied upon to show care and respect to others when needed. Being a good mate is a very important quality. We are proud to have you in our learning community, Beau. You are a STAR!

Achievement Awards

Foundation	Charli Ferguson: For her positive start to the term. Charli has started the term ready to challenge her learning. During a writing lesson this week Charli wrote a recount about wood chopping with her family. Well done Charli, keep up the amazing work!
1/2A	Charli Spencer: For your incredible effort when working on our maths strategy "part-part-whole" this week. Charli I loved how you broke up the bigger numbers into smaller numbers to help you solve the addition problems. You were even able to write them down in your book as number sentences. Keep up the great work superstar!
1/2B	Elsie Buckett: For always trying her hardest and showing us her best. I was blown away this week when I saw all of the spelling words you had learnt from last term, Elsie. Keep up the great work and awesome achievements!
3/4A	Jake Aromataris: For his continued effort and excellent attitude towards all areas of his learning. Jake you constantly wow me with the quality of your completed tasks. Thank you for being a joy to teach and for always pushing yourself to achieve great things!
3/4B	Summer Donohue: In recognition of Summer's excellent participation in MAPPEN, she is constantly giving her best. During our new topic of Sustainability, Summer has written a well thought out piece, reflecting on the fact that our planet doesn't grow but our population does.
5/6A	Lizzie Rowntree: For bringing her enthusiasm and smile to start the term off competently. Lizzie has shown that with a positive outlook she can certainly achieve her goals and enjoy her day. She has been working hard to improve her writing and maths, taking on challenges and learning from the feedback I have given her. Lizzie is first to help out in the classroom, consistently writing up our daily timetable and putting away equipment. I am so proud of the attitude you are showing, Lizzie, and your determination to improve your learning. Well done, Superstar!
5/6B	Mav Burchall: Well done on an excellent start to Term 2. You represented our school with pride at Anzac Day which was wonderful to see. We have enjoyed seeing you become a leader and that you work hard to set a good example for your peers. Keep up the excellent work!
Art	Marli Sabec: Marli can always be relied on to listen, cooperate and work to the best of her abilities. She is the first to put her hand up at the end of the art session to do any extra jobs and is an absolute pleasure to teach. She is to be congratulated on her wonderful work ethic. Well done!

ALEXANDRA
