<u>Do It For Dolly Day is coming up</u> (<u>May 9th!</u>)

Dolly's Dream has partnered with the Kids Institute

Australia to get Beacon, the free cyber safety app, into the hands of parents and carers across the nation.

Co-designed with input from parents, carers and cyber safety experts including the Office of the eSafety

Commissioner, Beacon provides families with trustworthy, practical resources to help them confidently navigate their children's technology use and reduce associated harms.

Families receive content tailored to their needs – including articles, videos and alerts – from a comprehensive library of strategies and tips to help address challenging issues such as screen time, gaming and cyberbullying. The content is regularly updated in response to changing Australian societal and online trends.
