## Achievement Awards

<b>Foundation</b>	Harvey McNair: For his attitude towards his learning. Harvey has been trying really hard in Maths to learn the days of the week and the order in which they come. Harvey used a can do attitude and persisted when he found it tricky. He can now recite the days of the week in the correct order. Well done Harvey, you are a learning Legend!
<b>1/2A</b>	Zac Stephens: For being a total legend on camp and giving everything a go, even if he found it scary. Zac you did such a great job on all the activities on camp and even trying different food. You should be very proud of yourself!
<b>1/2B</b>	Alisha Abdullah: For being such a Super Star on Grade 2 Camp this week! You did an amazing job on the rock wall and nothing was too scary or hard for you. Well done Alisha, we are so proud of you!
<b>3/4A</b>	Indi Russell: For her newfound ability to edit her writing to REMOVE words. Indi I am so proud of you for learning how to write to a word limit and to revise and edit to perfect word choice and the removal of words, to fit a specific purpose. You are constantly challenging yourself to improve and it's an honour to be a part of it!
<b>3/4B</b>	Miles Farley: For your imaginative text about the Minecraft Baby villager. Miles, it was a joy to read your narrative and see your use of paragraphs and punctuation is developing well. Great effort Miles, I'm looking forward to reading more of your writing!
<b>5/6A</b>	Saxon Green: For always trying his best. Saxon works hard to complete tasks, he cares about the effort he puts in and strives to achieve his learning goals. Saxon is also a kind friend who looks out for others and shows care at all times. It is wonderful to see Saxon following the school values and having such a positive attitude. What a superstar you are, Saxon! Well done!
<b>5/6B</b>	Ivy Miljkovic: We have been so impressed with your writing, Ivy. You worked so hard to research and write your information report about Mexico and ended up with a really good piece of writing. Your first few days of Poetry writing have also been stellar. We appreciate your positive attitude to class and the way you are always willing to try. Keep up the excellent work, Ivy.
<b>Art</b>	Oberon Russell: Obi can be relied on to listen, cooperate and work to the best of his ability. He has been showing perseverance and personal resilience while working on his clay project of a petrol station, utilising a wide range of skills. Well done Obi!
