Grade 6 Transition

On Monday, the Grade 6s enjoyed their 2nd of 5 transition visits to Alexandra SC. They were greeted by Bron, the Wellbeing Coordinator, had the opportunity to order their lunch, and then participated in a scavenger hunt around the school. This activity is completed for transition every year to help students become familiar with the layout of the school. I wonder how many older siblings remember doing this?

The next transition visit will be a whole day on October 11.

Uniform

At APS we are proud to have a smart uniform, and we expect that everyone wears their uniform each day. Students are welcome to wear any variation of the APS polo, grey shorts, pants or skort, APS fleece jumper, or school dress, along with an APS hat.

Please be aware that leggings, bike shorts (worn without a dress), footy shorts, and casual jumpers are not a part of our school uniform.

Second hand uniform can be purchased from the Office, or new uniform from fcw.com.au

ELF Reading!

Did you know that children who are read only one book a day will hear about 290,000 more words by age 5 than those who don't regularly read books with a parent or caregiver?

Thanks to our wonderful community who read to us on ELF Reading Day!

Grade 4 visit the Kinder

Googabinj Incursion

APS was lucky to have Craig come today and share some of his culture with us! Everyone learnt so much, and had a great time hearing from him!

Achievement Awards

Foundation	Ella Buick: For her outstanding counting! This week Ella has really concentrated and worked hard to understand the 'add 10' Mental Computation Strategy. Showing off she can skip count by 10's past 100. Ella you are a learning legend! Keep up the amazing work.
1/2A	Marlee Creighton: Marlee, you are a wonderful classmate and always trying to find ways to help others. Your creativity shines in your writing and it's great to see you have started writing your own chapter book in your free time. Keep up the amazing work and enthusiasm towards school! Well done.
1/2B	Ashy Sawyer: For her neat and organised approach to all learning tasks. Ashy always models a love of learning, being passionate in her learning, and making sure others understand too. You are an asset in the classroom. Keep up the great work, Ashy!
3/4A	Kaiden Tomlinson: For the care, kindness and tenderness he showed the Kinder Kids during our recent visit. Kaiden, you did our whole school proud by showing everyone your best manners and exemplary behaviour. You are going to make an amazing buddy next year. Thank you for showing everyone how it's done!
3/4B	Ayla Davies: For your amazing turn around with the weekly spelling. Ayla, I love the fact you now have a positive attitude in your learning at home and school. You are a superstar learner, Ayla!
5/6A	Chloe Woehl: Chloe has worked really hard all week and has been ready to help others at every opportunity. She has shown maturity and honesty in all aspects of school and has encouraged her peers to give things their best effort. She has brought positivity and fun to the class as well as being a kind friend. Well done, Chloe!
5/6B	Nathan Webb: Well done on great writing to finish off Term 3! Throughout the term you have been focused on improving your writing strategies and it really shows! In your narratives, I can see you including noun groups and adjectives to make your writing more interesting. I can also see your use of onomatopoeia (the sounds of things) which creates a vivid picture in your reader's mind. Keep up the great work!
Art	Owen Anderson: Owen is to be congratulated on his wonderful work ethic. He always puts his best foot forward and produces wonderful results as a consequence! His wonderful painting of trees showcases his attention to detail. Well done, Owen!
