A huge thank you to all our helpers on Footy Day last term – we couldn't have done it without you!

# Star of the Week

## Jack Kidd – 3/4B

Jack consistently shows the school values. He has made excellent learning choices this week, and has shown resilience in and out of the classroom. We are proud to have you in our learning community Jack! You are a STAR!

## Achievement Awards

<b>Foundation</b>	Lola Carpenter: For her amazing reading. This week Lola was able to explain the difference between a fiction and non-fiction text. She was able to identify and explain why a text was non-fiction even though it had none of the key characteristics. Amazing work Lola, you are a learning legend!
<b>1/2A</b>	Zac Stephens: In recognition of your thinking in mathematics. You used a mental computation strategy automatically and shared your understanding with others. Super Maths, Zac!
<b>1/2B</b>	Jett Vallender: For always trying your best. Jett is always enthusiastic and helpful in the classroom. Thank you Jett!
<b>3/4A</b>	Jake Aromataris: For his amazing maths learning this week about odd and even numbers and place value. You did an outstanding job completing the Frayer Model on THOUSANDS. Your attention to detail, the examples you chose and your definition were precise and showed great maturity. Thank you for the effort and meticulous attention you take to complete your learning tasks. You're a legend!
<b>3/4B</b>	Georgie Wise: For your incredible focus in our Reading lessons, you listen to the strategies and implement the ones that assist your learning. Such as the strategy of 'back up and read', to clarify your comprehension of the text you're enjoying. Georgie, we are very proud of your learning! Keep up the great effort!
<b>5/6A</b>	Zoe Coller: Thank you for your focus and positive attitude this week. It has been a mixed-up and busy week for us, but you have been so reliable in your approach to everything and working to make this a positive start to the term. I was WOWed reading your book summary. You included lots of interesting detail and applied all of your strategies to tell me everything you knew about the characters, storyline and theme. Keep up the amazing work, Zoe!
<b>5/6B</b>	Jaidyn Dimech: For really stepping up this week and making good, positive behaviour choices. Jaidyn has made a conscious effort to follow the school values; trying hard with his work, listening well in class, looking out for his peers, helping others, working co-cooperatively and choosing to do the right thing. I am super proud of you, Jaidyn! Keep up this awesome attitude, and lots of places you will go.
<b>Art</b>	Ella Buick: Ella has a wonderful work ethic in the Art Room. She listens carefully to all instructions, and always produces quality work to the best of her ability. Her work ethic is clearly showcased in our collaborative project, 'Under the Sea'. Well done Ella!
