2025 School Captains

We are excited to announce that Summer, Sem, Hudson and Jack will be our 2025 School Captains.

Congratulations to all students that applied. The speeches were of an extremely high calibre, and we are proud of all of our students who gave it their best.

Concert - P2
Student Achievements - P2&3
Colour Run & Picnic - P5

Concert!

Last Friday we had our amazing School Concert! Thank you to Meg, Sarah and the team who put it all together! Well done to all of our amazing actors, dancers and singers – it was a brilliant night.

Kael Robben-Rotary Award 2024

Kael is a quiet, respectful and diligent student who has a thirst for learning; especially when it comes to mathematics! Kael is always willing to give anything a go and put his best foot forward. He arrives at school with a friendly smile, a genuine 'good morning' and an enthusiasm for the day ahead. Kael shows a willingness to lend a hand in any way he can and an eagerness to achieve his goals by putting 100% effort into his studies. Kael regularly takes on learning challenges, following up in his own time at home to expand his knowledge even further. You couldn't ask for a better student! Kael can be relied upon to persist and persevere with every opportunity that comes his way. He also has the maturity to reflect on his learning and know where he needs to work harder to reach personal goals and required outcomes.

Kael is a prime example of how hard work, a positive attitude, and setting yourself high goals to strive towards, can bring you success. He is a valued member of our class, always contributing, sharing his knowledge, helping others and being tolerant and aware of individual differences. Patience is one of Kael's strong points; I guess when you have two younger sisters to deal with at home, you soon learn to be tactful and patient!

This year Kael was a member of our Student Representative Council, and of course he took on his role seriously, with maturity and enthusiasm. He helped with jobs across the school such as Book Club and Icy poles for our Positive Behaviour Program, as well as raising money for various charities. Kael also supported the school on the sporting field, participating in athletics and cross country.

Kael is confident enough to make his own decisions and choices without being adversely influenced by others. He consistently knows the difference between right and wrong and encourages all students to make good choices. He follows our school values of Respect, Care, Integrity and Achieve, without ever needing to be told. This makes Kael an excellent role model.

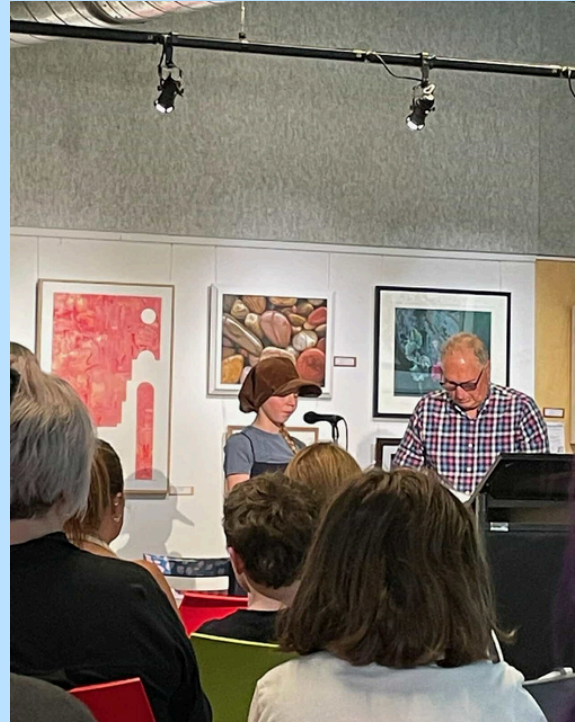

Kael is a caring individual who is always honest and trustworthy. He is polite, well-mannered and respectful always. Kael supports our school in many ways and helps to make Alexandra Primary School a better place for everyone. With his attitude, determination, love of reading and strong mathematical mind, I know Kael will go on to do very well at Secondary School. The Alexandra Primary School community wishes him all the best for the future.

Well done, Kael! We are all very proud of you!
Jan Twining

Indigo - Book Nest Competition

Indigo won the Marysville Book Nest Competition for her story 'Sky Spirits'. Congratulations Indi!

Kris has been learning all about composting at Grant Street Grocer. He brought in some of his compost to show his grade this week. Great work Kris!
