With low deductibles, affordable copays, and a network of top-rated healthcare providers, our health insurance plan makes it easy for you to access the care you need, when you need it. We also offer optional coverage for dental, vision, and other specialized healthcare needs to ensure that your entire family is well taken care of.

Dental, Vision, Life and AD&D

In addition to our comprehensive health insurance plan, WeBuildCo also offers a range of supplemental benefits to further support your overall well-being. Our dental and vision plans provide coverage for routine check-ups, cleanings, and necessary treatments, helping you maintain a healthy smile and clear vision.

We also offer life insurance and accidental death and dismemberment (AD&D) coverage at no cost to you. These policies provide financial protection for your loved ones in the event of an unexpected tragedy, giving you the peace of mind that comes with knowing your family is taken care of.

This not only helps you grow your retirement savings, but also reduces your overall tax burden. Additionally, we provide access to a team of financial advisors who can help you develop a personalized retirement plan and optimize your investment strategy.
