GENERAL INFORMATION

- Where are you originally from, how long have you lived in the USA, how long have you lived in Utah and what brought you to the state?
- Do you have a profession, certifications, or vocational skills and where did you obtain them?
- How did you find out about The FUNDET Scholarship Program and what is the purpose of the assistance?
- What technical program do you want to study, and why did you choose this program?
- How long will it take you to complete the program, and are you willing to pay for the balance of the training if it takes longer?
- FUNDET does not requires repayment; however, you are required to complete 10 hours of community service a month for the length of the program. How and where are you planning to do your community hours?
- The objective of the training is employment. What are your employment goals and objectives?
- In your opinion, what will happen to the FUNDET Scholarship program if students fail to complete their training program?
- Most FUNDET students are among the top students. What are you going to do to keep up with this standard?

I certify that I have read, understood, and will comply with FUNDET's Scholarship Application stipulations. I realize that I am expected to financially contribute to my training by paying the registration fees, 25% of my tuition, books, and supplies. I also understand that the award may be withdrawn if I fail to meet the 80% attendance, 80% progress and 10 hours of community service.
