About

Passionate and results-driven Front-End Developer with a strong background in both front-end development and UX/UI design.

Skilled in creating seamless and intuitive user interfaces while ensuring high-quality code.

I have extensive experience in the design-to-development process, where I bridge the gap between creative design and functional implementation.

I am proficient in modern web technologies and thrive in collaborative, agile environments, focusing on delivering engaging, responsive, and user-centered digital experiences.

Work

Front-End Developer & UX/UI Designer

Larcier-Intersentia │ Barcelona/Luxemburg │ July 2019 – December 2024

Collaborate closely with product and design teams to create responsive and visually appealing websites and applications.

Develop high-quality, reusable front-end components using HTML, CSS, JavaScript, and VUE, ensuring optimal performance and scalability.

Lead the design process by creating wireframes, prototypes, and user flows, with a strong focus on user experience and accessibility.

Conduct usability testing and A/B tests to gather insights, refine UI/UX designs, and improve overall product usability.

Implement responsive design principles to ensure a seamless experience across devices.

Coordinate with back-end developers to integrate front-end with server-side technologies.

Front-End Developer

3D Tech Omega Zeta │ Barcelona │ August 2017 – June 2019

Translated design team's UX wireframes and mockups into responsive, interactive features, using HTML/CSS and JavaScript.

Web Designer

Freelance │ Barcelona │ January 2014 – August 2017

Designed and developed responsive WordPress websites, focusing on custom themes, layouts, and widgets to meet specific client needs.

Worked closely with clients to understand their vision and objectives, providing tailored web solutions and ensuring alignment with brand identity.

Optimized WordPress websites for performance, security, and SEO, resulting in improved user engagement and site performance.

Graphic Designer

FreeLance │ Barcelona │ January 2009 – September 2017

Specializing in creating innovative graphic design solutions for clients in diverse industries, including brand identity, web design, and print marketing.

Collaborated with clients to understand their vision, translating concepts into compelling visual designs.
