## MESSAGE FROM THE PRESIDENT

Sitting here looking at our newest edition of the MSAA Arrow, and I am very happy on how great it turned out. It would be nice to see more articles highlighting our Governors. If you are wanting to post an ad or Club flyer, make sure you get it to Stacie so she can get it in an upcoming edition.

I welcome Jessica Anderson, our new Secretary. I am so pleased to have her on our team and look forward to having that position filled. We still have a few positions to fill, and if you are interested, please let us know. I would greatly appreciate it.

Let me know if you have any suggestions or ideas for this great organization. I look forward to any suggestions you may have.

As I sit here typing this, it has been one of the first nice days in a long time, and I look forward to shooting more outdoors in the very near future. Hope all is well, and shoot 'em up!!!

Paul Parsons  
Interim President

# BOARD UPDATES...

## OUTDOOR VICE PRESIDENT - TODD NELSON

Greetings fellow archers. Summer has finally arrived which means that we get to shoot arrows outside at the three MSAA state tournaments. The first two tournaments will be hosted by the Great River Archery Club at their archery range near Rice Mn. Saturday June 11th is the 900 tournament, which is 30 arrows at 60 yards, 30 arrows at 50 yards and 30 arrows at 40 yards for adults, shot at a 122cm target face. Then on Sunday is the MSAA 50 meter tournament, which is 72 arrows shot at 50 meters on a 80 cm target. Please check the MSAA website for full tournament rules including distances for cubs and youth. The Great River Archery Club has a great location for these shoots and will do a awesome job of hosting.

The Saratoga Archery Club will once again host a combined MSAA/MAA state field tournament July 16-17. This is a one day tournament that can be shot on either day, or for those of you that enjoy getting a little more exercise, you can shoot both days and your best score will be used. Or you can shoot a different class the second day if you want. Archers can compete in the MSAA an MAA tournaments at the same time shooting just one score which will be used for both organizations. Both days will be 14 target Field round, a 14 Target Hunter round and a 14 target Animal round. The 14 animal targets will be shot at the same time as the field and hunter targets. The evening before, Friday July 15th will be a team money shoot starting at 5 pm. Check flyer for details.

Have a Great summer!

## INDOOR VICE PRESIDENT - PAUL PARSONS

WOW, April 8-10th came and went real fast. Everything went well, had a couple hic-ups along the way, but everyone was patient and understanding, and I applaud you all for that. We had around 460 Regional scores and had about 306 shooters with over 360 scores turned in for 2022 MSAA Indoor which was held at Redwood Falls RACC. We co-hosted with MAA this year for Indoor and that went real well. We had several shooters shoot both MSAA and MAA which worked out real well. This year we had a good turn out with vendors which was nice to see. I want to publicly say THANK YOU to Beaver Creek, Saratoga, and SW Bow Benders for hosting this years event and special Thanks for all of you that helped make this event a great success. THANK YOU. Our numbers were much better than last year (130 shooters) so I am happy for that, but would like to see those numbers increase in the very near future.

## RECORDS KEEPER - JAN EKERT

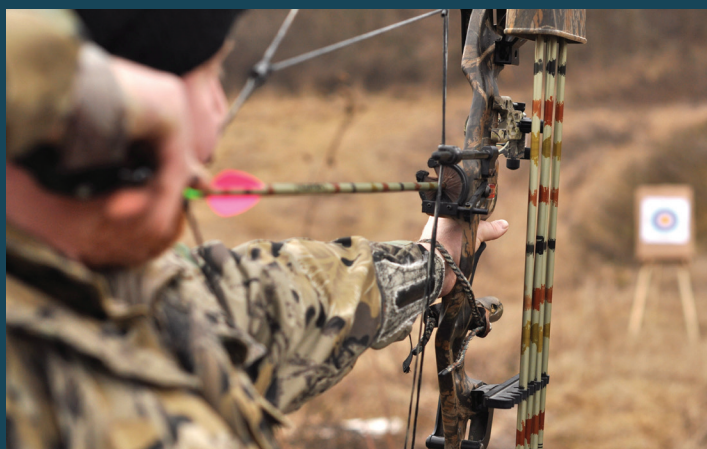

Hello all many of you know me as in the past I served as your state record keeper. I am hopeful that after our upcoming 900 and 50 meter round that I am able to get all or the records and update the and get Award Certificates issued and out to you all.

The one thing I have noted in looking at scorecards is some shooters seem confused over the class they shoot or are not aware of the acronyms that are to be used. I know that these are sent to the Clubs that are hosting the event, but I am asking you as shooters to check your cards for the correct acronym. If you are not sure ask someone for help in choosing the correct class. Another reminder that if you are shooting towards the Grand Champion, you must shoot the same class at each event and your age category/class is your age as of January 1. A suggestion I will make that when a club is hosting an event that the MSAA can provide the host Club with a list that can be posted to try and lessen any confusion. I will do my best to try and get things up and running as soon as possible.

Shoot good and I look forward to seeing many of you at the outdoor events..

## EDITOR - STACIE MULSO

Welcome to the May issue! Thanks to Evie Johnson for allowing us to run her amazing story - 9th bull elk, wow! And, who is going to try her recipes? They look delicious! I am looking for more feature stories for the next issues of the Arrow. Please send your story ideas to me at [arrow.msaa@mnarchery.org](mailto:arrow.msaa@mnarchery.org). Also, if you have some favorite wild game dishes, I would love to include your recipes in future editions. In order to help build the relevance of the Arrow, we need your content. Please help make the Arrow a great publication...send in your shoot information! Is there anything else you'd like to see in the Arrow? I'd love to hear your ideas!

## WEBMASTER - JOSEPH ZIMMERMAN

- The State Indoor results were posted to the results page.
- Our Facebook page reached 8,757 people from March 1 through April 15, 2022.
- All of the summer tournament Eventbrite online registration forms and Facebook Events have been created and published.
- The Target 900 Round and 50 Meter Facebook event page has been boosted as of May 12th.
- I sent out an email to our email list regarding the Target 900 & 50 Meter Tournaments. I will also do this for the State Field and 3D Tournaments as well about 3-4 weeks prior to each event.

## TREASURER - BRUCE STROM

We had a good turnout at the Indoor Championships down in Redwood Falls in April. It was great seeing that many shooters and it definitely helped out financially. The match was held in conjunction with the Minnesota Archers Alliance (MAA) and there were a lot of shooters that shot a round in both organizations. It is an excellent opportunity to get in more shooting time and we receive some income for MAA only shooters as far as bale fees. We are collaborating with them again at the State Field Championships on July 16th and 17th. Works well for both organizations and we look forward to a continued collaboration with them.

## SECRETARY - JESSICA ANDERSON

Hello! I am excited to join the MSAA board. I am a geek about organization and am looking forward to streamlining our membership management process and working with other members of the team on enhancing the MSAA member experience. I am the one to contact with any membership questions or to simply update your contact information. We have a lot of great ideas in the hopper, and I am looking forward bringing them to fruition. I am quite new to the archery world and am excited to learn and grow alongside all of you!

# No Stopping Her

## 80-year-old Bow Hunter Bags Ninth Bull Elk

By Dennis Doeden – The Bemidji Pioneer

"I shot at a deer but missed. I was aiming for the head. Well, you don't aim for the head." The only time she uses a gun these days is when pesky critters are around.

"The only thing I shoot with my .22 is red squirrels or if I catch a critter in my live trap, skunks and raccoons," she said. "I finish them off with my .22."

Her bow hunting started soon after she married Ken in 1983. Both of them were divorced, and they met in a support group for widowed, divorced and separated people. He was an elementary teacher and she worked in BI-CAP's energy assistance program.

"Before we got married that summer he asked me if I had any money to buy a bow," Evie said.

"No, I said I'd buy you a bow if I could afford it," Ken clarified.

So Evie paid \$100 for that first bow, and the rest is history.

"He set up a target and I started shooting," she said. "We got married in August and that fall we went to the Black Hills for mule deer. So every year since then, 38 years we've been married, we've gone out west hunting."

The results are pretty impressive Evie keeps a scoresheet of everything she has harvested with a bow. It includes 11 whitetail deer, two mule deer, nine bull elk, one bear, three tom turkeys, one gar fish and several carp.

Their hunting party has grown in recent years to include friends and family members. This year's group of seven hunters harvested three elk. The meat is processed nearby in Utah and then comes the on-site feast.

"The heart and the backstraps never make it home," Evie said, "because we eat that the next day for breakfast. We have a potluck. We cook it in our camper. Oh, it's really good."

Evie hones her shooting skills by competing in archery leagues at the Beltrami County Fairgrounds or at her home range. She has competed in state shoots as well. She also works out three days a week at Snap Fitness in Bemidji.

There are no plans to stop now that she's an octogenarian.

"I'll stop when I can't pull my bow back anymore," she said.

"I have good genes. Mom lived to be 96. Dad was 87. It's something I like doing. When people are sewing or other stuff, I said I'll do that when I get old, but not right now.

Even though she grew up in a hunting family on a farm southwest of Bemidji, Evie Johnson didn't do much hunting herself until she was in her 40s.

She's 80 years old now and has been bow hunting big game for some 38 years. On Sept. 5, Evie harvested her ninth bull elk with a clean shot from her tree stand in northeastern Utah. The big boy yielded 195 pounds of meat, so much that Evie and husband Ken had to buy a new freezer.

"I really wanted to get an elk this year since I turned 80," Evie said. "I didn't care what it was."

She typically climbs 17 feet high into her tree stand for three hours in the mornings and three hours in the evenings during the month-long trip to Utah. She logs all of her time in the stand.

"I sat in my tree 55 and a half hours before I got him," said Evie, who has mastered the art of cow calling with a variety of special diaphragm calls. "I heard him up in the brush, I cow talked and he answered with a little bugle. If he's with cows, he's not going to give a full-blown bugle because then other bulls would come and try to steal his cow. So he gave a couple sounds, and then down he came facing me. I cow talked again to stop him."

That second call got the bull into a better position. "Then I shot him," Evie said. "He was big."

Evie only hunted deer a few times on her Meemken family property, and the memories are not great.

"When I was at home my brother took me out," she recalled.

Bob was one of the founders of the Saratoga Archery Club over 60 years ago, and has probably shot more arrows and done more work at the club than anybody. Before ATV's, Bob would use his VW pickup to haul targets, lumber, posts and 3D targets around the range.

Even though Bob hasn't been able to shoot for a few years, he still came to every meeting, and most of our shoots just to see the archers and tell some of his **LEGENDARY** stories.

The archery community has lost a very special friend, and the Saratoga Archery Club is extremely grateful to Bob for all that he did for the club.

**MAY ALL OF YOUR ARROWS FLY  
STRAIGHT WITH THE ANGELS.**

# Minnesota State Archery Association Meeting Agenda

APRIL 8, 2022 • 5 PM • REDWOOD FALLS MN • REDWOOD LODGE (before MSAA Indoor)

## **PRESIDENT'S REPORT:**

Been getting Indoor shoot items ready. Trying to Fill the President's Position and other open positions. Introductions were made.

## **SECRETARY'S REPORT:**

Jess Anderson has volunteered to be our Secretary. Bruce will transfer the Keep forever box and Paul has a bunch of stuff for her as well.

## **TREASURER'S REPORT:**

Bruce presented financial reports packet. Fiscal year is January to end of December. Todd Motioned to accept the Treasurers report. Jan Seconded.

## **INDOOR VP REPORT:**

460 Regional Scores received. Hasn't verified current preregistrations. Everything is looking pretty good.

We are running the shoot in conjunction with MAA. MAA has about 40 MAA only pre-registrations. MAA will tally their own numbers and score cards. For MAA the host club(s) will get a 50% of registration fees. Discussion will occur about the MSAA's cut for target use.

For regionals next year things will run smoother with getting some positions filled. Invites weren't sent this year. Not much negative feedback for not sending the invite letters.

Dean had a few comments about the regionals. The financial form is confusing. Nobody understood the new fee. Suggestion to wait for the policy changes to take effect until the following year.

Also there was some confusion about the 100% club. Due by regionals and payment is annually.

Tim Wilson joined to discuss the MAA portion of the Indoor event. Todd suggested \$5 per MAA shooter, Tim agreed to that. Would be around 40 shooters.

## **OUTDOOR VP REPORT:**

Don from Great River Archery came down to observe how the indoor was set up and to see how registration, trailer inventory etc.

There will only be one Participation trophy for the 900/50meter weekend.

Field will be combined again with MAA hosted at Saratoga Archery.

## **PROMOTION CHAIR REPORT:** Not Present

## **BOW HUNTER VP REPORT:** Not present

## **WEBMASTER CHAIR REPORT:**

Been busy with sending out email blasts and communications for indoor also put records out on the WebAp platform called Glyde. Talked about how user friendly it is.

## **RECORDS CHAIR:**

Jan Ekert volunteered to be the records chair. Discussed the reasoning for keeping old scorecards. Goal will be to have the records at each event in order to prevent having to mail and save postage. Paul brought 3D awards and record certificates for people to pick up at the MSAA booth

## **AWARDS CHAIR:**

Had enough awards leftover from last year. Also found old cutout awards that we will use up first. Grand champion for 2021, they will be awarded following the recipients' line time. Past awards that have not been handed out have been made and will be presented this weekend.

## **CONSERVATION CHAIR REPORT:** Not present

## **ARROW EDITOR REPORT:**

Congrats and feedback shared about the first version of the Arrow. 543 copies were mailed out to members with approximately \$1000 to print and \$300 to the mailing. Will look at applying for nonprofit postage rate. Let Stacie know about content. November should be printed with list of regional sites and the policy change proposals. June issue should move up to May (printed version) Discussion on Digital versus Printed. Should shoot flyers cost money for digital versions? It was determined that yes, clubs will still be charged. The same amount of work goes into creation of the digital version as the print version. When doing digital versions of Arrow, to put mailing costs towards FaceBook boost fees.

## **GOVERNOR AT LARGE REPORT:**

Nothing to report on other than Camp Ripley will be open the youth hunt.

## **AUDIT COMMITTEE REPORT:**

Committee was established at the policy meeting

## **INDOOR TOURNAMENT COMMITTEE REPORT:**

The Indoor State shoot is starting tomorrow.

Affiliated Club Fee - The affiliated club fee is an annual fee. Due by Regional shoots

Governor Communications

### ALREADY DISCUSSED

Time line for policy meeting agenda

This summer policy changes will get out sooner to the clubs and shops.

# MINNESOTA ARCHERY HALL OF FAME

*By John Steinle*

The homeless Minnesota Archery Hall of Fame will be putting together a statewide raffle to help raise funds to help us find a new home. Club and individuals will be receiving information regarding this raffle. We look forward to everyone helping out with this fundraising event. We hope to have the raffle started by sometime in June and hopefully have them available at the MSAA Target and 50-meter tournament June 11 and 12 at the Great River Archery Club in Sartell MN. The drawing will be held in April of 2023 at the next Hall of Fame induction ceremony.

We would also take other donations to help out as well.

Currently the Hall of Fame plaques with the inductee's pictures, bios and induction dates are on display at the Southwest Bowbenders Archery Club in Worthington, and bows and other items from the Hall of Fame are in storage.

If anyone has any thoughts or ideas for a good home for the Hall of Fame, call John Steinle at (507)370-0597 or email [john.steinle@gmail.com](mailto:john.steinle@gmail.com).

In August we will start accepting nominations for the next Hall of Fame induction in April of 2023. You will be able to find nomination forms at [www.mnarcheryhof.com](http://www.mnarcheryhof.com) after August 1.

All of the awards Jerry has can be verified. Also, along the way, he has passed on a lot of his experience to other shooters.

Jerry's pursuits and achievements are in keeping with the mission of the Minnesota Archery Hall of Fame, "to preserve the history and tradition of Archery and Bowhunting for future generations. And to educate and inform those persons wishing to pursue their interests in Archery and Bowhunting.
