🛡️ AIOGG Weekly Shadowverse: Worlds Beyond Tournament Ruleset 🛡️

Format:

- **Game Type:** 1v1

- **Structure:** Swiss

- **Match Format:** Best-of-3 (2-Deck Format)

- **Platform:** Shadowverse: Worlds Beyond (Online)

📋 Deck Rules

- Each player must bring **2 different decks**.

- **Both decks must use different leaders** (no duplicate leaders).

- Players **cannot change decks** once the tournament begins.

- **Decks must be registered** before the event starts (if required by organizer).

🕐 Match & Round Timing

- **No in-game time limits.**

All In One Gaming Generation, LLC Competitive Event Rules

- Each round continues **until all matches are finished.**

- Players must be **available and responsive** in the tournament communication channel (e.g., Discord).

- Players taking **excessive time** or being **AFK** may be given a match loss at the organizer's discretion.

🔁 Match Procedure

1. Players start by selecting one of their two decks to begin the match.

2. The loser of a game must **switch to their second deck**.

3. The winner of a game must **stay on the winning deck**.

4. First player of each game is determined randomly by the game.

📣 Reporting Results

- Match winners must report the score to a tournament admin or via the designated reporting system (e.g., match-report channel or tournament bot).

- If there's a dispute, **screenshots or video proof** are recommended.

❗ Additional Rules

- Players must be **respectful** and follow all community guidelines.

- **Disconnects/crashes** will result in a **game loss** unless both players agree to a rematch.

- Any form of **cheating, unsportsmanlike behavior**, or **stream sniping** will result in disqualification.

All In One Gaming Generation, LLC Competitive Event Rules

- Tournament organizer decisions are **final**.

🏆 Prizes & Standings

- Prizing will be based on final Swiss standings or a Top Cut if specified before the event.

- Ties in standings will be broken by standard Swiss tiebreakers (e.g., Opponent Match Win %).
