

The Roots of our Wellbeing Waldorf Games & Movement

A developmentally based journey from seven to seventeen
suitable for teachers, parents and all interested adults

22nd 23rd March 2025

You will experience:

- A dynamic range of enlivening games & movement activities for beneficial learning.
- Mastering key athletic skills for the class 5 Greek Olympic Games.
- Integrating a wide range of needs within a group.
- Practical tips on how to integrate movement exercises & games into the school day
- Relating these to a developmentally based curriculum.
- Integration of theory & practice through shared reflections.

Course Leader: Kevin Campbell Davidson is an internationally trained and deeply experienced gymnast. He has been designing and facilitating teacher training and mentoring programmes for Bothmer Movement International (BMI) throughout Europe and Asia for many years. Kevin has taught on the London Waldorf Teacher Training course, and as presenter for the online PRELUDE course. Co-founder of the online hub www.bothmermovement.online in 2020, he holds an MA in Education and lectures in Creativity at Goldsmiths College, London. He is also an accomplished musician, folk dancer and choir leader.
