Granny Squares

How to join new colours:

Method 1:

If you are changing colour for each round of your granny square, simply fasten off yarn A used for the first round for example and then join yarn B by making a slip knot and work a slip stitch into the designated stitch according to the pattern. (This can sometimes leave a small bump where the slip knot is joined to the motif).

Abbreviations:

ch - chain
Tr - treble
St(s) - stitch(es)
Yoh - yarn over
hook

Method 2:

On the final tr st of the round, yoh, insert hook into st, yoh and pull up loop (3 loops on hook). Yoh and pull through two loops. Tuck working yarn along hook and introduce new yarn colour by laying it over the hook. Pull new colour through final two loops on hook to complete the stitch in the new colour. Continue pattern in new yarn colour.

Granny Squares

How to join motifs together using mattress stitch:

Abbreviations:

ch - chain
t-ch - turning chain
Tr - treble
Rep - repeat
RtrF - raised treble
front
RS - right side
St(s) - stitch(es)
WS - wrong side
Yoh - yarn over
hook

When all your motifs are finished and ready to join, hold two motifs with RS together. Take a tapestry needle and thread with yarn in colour that complements the colours on the final rounds of your motif. Work the tapestry needle under both loops of each stitch, working from middle to outer edge (see photos) all the way along the motif.

1) Hold motifs RS together

2) Insert tapestry needle under both loops of each st, working from middle to outer edge of motif

3) Insert needle under corresponding st on opposite motif (from middle to outer edge)

4) Repeat step 2 and 3 along motif
