

e5 framework™

A scientific roadmap to sustainable self-employment.

STAGE 0 -Unemployed

An *economic member* whose contributions are purely consumption based.

STAGE 1 Employed Advocate

An *economic member* who is employed but supports the idea of entrepreneurship.

Stage 2 Entrepreneurial Employee

An *economic member* who's actively seeking or operating a secondary, non-salary income source

Stage 3 Self Employed

An *economic member* who independently produces goods or services for financial self preservation.

Stage 4 Entrepreneur

An *economic member* who takes on fixed expenses greater than themselves in order to maximize the production of goods or services.

Stage 5 Career Entrepreneur

An *economic member* who is solely committed to independent production at atypical risk levels and periods of time.
