

ALUWALL TECH - Complete Facade Solutions

Aluwall Tech is recognized as Mumbai's leading facade specialist, dedicated to providing exceptional services in structural and spider glazing, along with facade maintenance. With over 17 years of experience and a remarkable portfolio of over 500 completed projects, we have gained the trust of clients across Mumbai, Navi Mumbai, and Hyderabad.

Who We Are

1

Established in 2007

Mumbai's trusted facade specialists

2

Our Team

26-50 GST registered professionals

3

Experience

Completed over 500 projects across sectors

4

Our Commitment

Quality, efficiency, and client satisfaction

5

Served Areas

Major metropolitan areas include Mumbai, Navi Mumbai, and Hyderabad

Complete Facade Solutions

Our services encompass three main areas: Structural Glazing, Spider Glazing, and Facade Cleaning & Design. Structural Glazing involves the installation of sophisticated curtain walls, providing both strength and aesthetic appeal. Spider Glazing utilizes point-fixed glass technology, enhancing visibility and light flow, while our Facade Cleaning & Design service ensures that every installation remains pristine and well-maintained throughout its lifecycle.

Structural Glazing

Installation of sophisticated curtain walls.

Spider Glazing

Utilizes point-fixed glass technology.

Facade Cleaning & Design

Ensures pristine maintenance throughout the lifecycle.

Structural Glazing Innovations

Curtain Wall Systems
