

St. Matthew's and Master Gardners' Rainwater Harvesting Project announces: Water Tank and Toolshed design contest:

Theme for the designs: RAINWATER

We will be judging 3 designs: 2 water tanks and 1 toolshed.

Open to Calaveras County children of grade school - high school age (05-22). If older than 18, you must show that you are still attending school. Students can submit individually or in teams.

\$300 dollars awarded for winner of each design. (**\$900 possible**)

\$300 dollars will be awarded to the winner's art department, or equivalent, for each winning design.

Designs may be submitted for one of the water tanks only, the toolshed only, both tanks only, or all three.

No limitations on number of submissions.

Submissions may be presented electronically or on paper. Send submissions to: St. Matthew's Church, P.O. Box 520 San Andreas, CA 95249 or email to **St.Matthews95249@att.net**.

Design for tanks: All parts of the tanks that are visible from the front or the side (about 3/4 of the tank). No designs will be on the very backs of the tanks.

Design for the toolshed: Design for the long side of the toolshed that faces the road.(Oak Street).

Dimensions of the water tanks: 90 inches tall by 96 inches wide (2.28600 meters by 2.4384 meters). (8' by 7.5')

All designs must be submitted by October 15th. Winner announced on November 3rd. Identity of the school and the student will be unknown to the judges.
