OVERVIEW

At the heart of our ethos lies an unwavering commitment to fostering enduring relationships with our clients. We recognize that the foundation of such relationships is built upon the solid bedrock of trust, reliability, and consistent excellence.

Our dedication to nurturing long-term partnerships is more than just a promise; it's a guiding principle that informs every aspect of our operations. From the inception of a project to its final execution, our focus remains steadfast on delivering services of unparalleled quality in the realm of constructions.

Escotten Infra Projects Private Limited, established on **16th February 2024**, is a dynamic and emerging private company in the construction industry. In its short span of 5 months and 9 days, Escotten Infra Projects has quickly distinguished itself with a commitment to quality and excellence. The company boasts a robust **authorized share capital of ₹10,00,000, with a paid-up capital of ₹1,00,000, reflecting its solid financial foundation.**

Under the stewardship of its experienced directors and key management personnel—Sahil Kumar Gupta, Nikhil Kumar Gupta, Sharmin Jahan Suravhi, Arun Singh, and Pankaj Chopra—Escotten Infra Projects has successfully undertaken and completed a variety of infrastructure projects. These projects include the construction of roads, cemeteries, and buildings, demonstrating the company's versatile capabilities and dedication to enhancing community infrastructure.

Escotten Infra Projects Private Limited is **registered with the Registrar of Companies (RoC), Jammu, and is classified as a non-government company.** With a strategic vision and a commitment to delivering superior infrastructure solutions, Escotten Infra Projects is poised for continued growth and success in the construction sector.
