

Date: 02.02.2024

To: Torhammer Marine (Pty) Ltd.

Regarding: Reference for Leroux Korff Incorporated.

To Whom it May Concern

Unilec SA was introduced to Leroux Korff Inc in 2017. At the time in 2017 we were struggling with the accounting company we were using. We were immediately impressed with their exceptional skills, professionalism, and knowledge in dealing with SARS. They immediately got stuck in to sort out all the issues we were experiencing with SARS, BEE, Audited financials, Payroll, Tax Compliance, etc which our previous accounting company had neglected. It was at a point where we were going to be unable to trade with some of our corporate clients like Ford, Nissan, Toyota, etc, if something wasn't done immediately. Back in 2017 Unilec SA employed about 20 people and today we are sitting at over 80 employees. In 2017 we only had a branch in JHB but today have added branches in PTA and CT, with plans on the cards for DBN and possibly even the USA. In March of 2022 we moved out of our rented 500m² mini factory into our own corporate 1000m² building with offices and large warehouse space. Leroux Korff Inc has engaged and set up relations with both Nedbank and Standard Bank cooperate divisions to help Unilec SA to acquire all the required banking facilities, funding and support required to grow our business. I do attribute the success and growth of our business since 2017 to the added value Leroux Korff Inc have brought to Unilec SA in the services they provide, as well as advising and guiding us through the corporate world.

Services	Recommendation
Accounting	Highly recommend
Bank Relations	Highly recommend
Auditing	Highly recommend
Bookkeeping	Highly recommend
Payroll Service	Highly recommend
Tax Services	Highly recommend
