

**Mr. Nelson K. Jallah**  
**Co-Chairman for Administration & Finance,**  
**Board of Directors,**  
**Universal Farmers Association**

Mr. Nelson K. Jallah is a highly accomplished Accounting and Finance professional who brings over eight years of hands-on experience in financial leadership, strategic planning, and business management to the Universal Farmers Association (UFA). As the Co-Chairman of the Board of Directors with oversight for Administration and Finance, Mr. Jallah plays a pivotal role in shaping UFA's financial strategy, ensuring transparency, accountability, and sustainable growth across the organization.

Renowned for his analytical acumen and results-driven approach, Mr. Jallah has built a solid reputation for delivering robust financial reporting, budget forecasting, and compliance with international accounting standards such as GAAP and IFRS. His exceptional ability to interpret complex financial data and transform it into actionable insights has empowered businesses to enhance profitability and reduce operational costs.

Currently, Mr. Jallah serves as the Managing Director of **Budget Accounting Services Limited**—an accounting firm serving approximately 100 clients. In this role, he leads a team of professionals dedicated to providing tailored financial solutions, ensuring clients achieve compliance and financial clarity. Under his leadership, the firm has become a trusted name for small and mid-sized enterprises seeking dependable accounting support.

His professional milestones include leading the financial reporting and budgeting process for a mid-sized enterprise, where he not only ensured timely compliance with regulatory requirements but also introduced strategic cost-saving initiatives that reduced operational costs by 18%. His financial insights have contributed to a 10% increase in profitability through smarter resource allocation and operational efficiency.

Mr. Jallah's core competencies include:

- Financial reporting and analysis
- Budgeting and forecasting
- Cash flow management
- Tax preparation
- Financial software expertise (QuickBooks, Excel)
- Cost reduction strategies
- Business planning and advisory
- Team leadership and cross-functional collaboration

As a forward-thinking financial leader, Mr. Jallah is currently pursuing professional certification as an **Associate Financial Accountant (AFA MIPA)** with the **Institute of Financial Accountants**. He also holds an **MSc in Accounting and Finance**, a **Postgraduate Certificate in International Accounting and Finance**, and a **Professional Certificate in Accountancy** equivalent to a bachelor's degree.

Within the Universal Farmers Association, Mr. Jallah brings not only technical financial expertise but also strategic vision and sound judgment. His leadership strengthens the organization's capacity to manage resources responsibly, plan effectively, and achieve its mission of empowering rural communities through sustainable agriculture and livelihood transformation.

Passionate about transparency, development, and impact-driven finance, Mr. Jallah's role on the Board ensures that UFA remains financially resilient and administratively robust—well-positioned to deliver long-term value for smallholder farmers and the communities it serves.
