- c. They must declare their desire to transfer to their home team for the current season.
- d. Once the legacy registration period has closed, the transfer will be permitted provided that "home club" has available space on their roster.
- e. If the "home club" does not have space on their roster, the participant will stay on the roster of their previous year's team.

1.4.3.3.6. Any adult may coach or participate in any booster club; however, if the adult has a child participating, the child will be zoned to their "home club" or "legacy team" only.

1.4.3.3.7. During the initial year of a booster club, legacy rights will be offered to all sons and daughters of the Booster club board of directors, all coaches, and instructors.

1.4.3.4. Open Registration

1.4.3.4.1. Open registration is open to all children who meet the eligibility requirements as laid out in the Rules of Competition.

1.4.3.4.2. All open registration children are registered for participation in the AAYFDT without guarantee the child will be assigned to any particular booster club.

1.4.3.4.3. Club cap limits

1.4.3.4.3.1. Each club will have five Football Teams : (Flag min 5 max 14, Tackle min 11 max 25) Flag, Freshman, Sophomore, Junior and Senior. These numbers may be increased by Booster Club Board approval AFTER all clubs have playable teams (minimum 5 for flag and 11 for tackle). The max numbers may be lowered no less than 7 on Flag and 18 on tackle. The Booster Club President and Athletic Director will need to email the League Athletic Director stating their wish. Once they elect to lower their cap, their registration for that team closes. They can no longer backfill any spots that become vacant nor raise their cap.

1.4.3.4.3.2 Each club will have three Drill Team Squads***. Mascots (with 3 minimum registered members), Juniors (with 30 maximum) and Seniors (with 40 maximum). These numbers may be increased or decreased by the League Drill Director's approval following a justification submitted by the booster club Drill Team Director and it must include the Head Instructor's concurrence. *Minimums may not be decreased to lower than 25.

If a Junior or Senior Squad maximum is met before the 1st Day of Official Season Practice, the League Drill Director will work with the booster club Drill Team Directors to determine member's team placement. The closing of Drill Team rosters prior to minimums or maximums being met MUST be approved by the league Drill Team Director. It is also recommended to seek approval from the booster club president.

1.4.3.4.4. Participants will be placed on a booster club based on their residence and elementary school attended. For 6th graders in intermediate school or Junior high, they will be placed based on the elementary school for their residence.

1.4.3.4.5. Once a team is full, any new participants for that register for that team will be placed on the league waiting list.

1.4.3.4.6. After the last open registration date has ended, all waiting list participants will be placed on the closest booster club with the greatest need. If a family declines the waiting list roster position, they will remain on the waiting list for their home team and be given a roster spot if one becomes available for their waiting list position.

1.4.3.5. The A.A.Y.F.D.T. Board of Directors shall set the registration fee schedule annually. The fee schedule shall include football and drill team registration as well as the fundraiser amount. Each booster club is required to use this fee schedule.

1.4.3.5.1. Registration Fees

- a. \$225 registration.
- b. Fundraising Commitment - \$150 - This fee is non-refundable.

1.4.3.6. Discounts: (Shall only be applied to Registration Fees)

- d. All registration and fundraising money has been collected from the family.

1.4.3.9. Refunds

1.4.3.9.1. Refund amounts, based on length of participation, are as follows:

- a. Prior to the first practice - 90%.
- b. Prior to the first game - 75%.
- c. Beginning of the first game - No Refund.
- d. For the purpose of issuing a refund, registration monies collected are first applied to the participant's fundraising commitment until fully met.

NOTE: The booster club board of directors can vote to offer a higher refund amount if they deem it to be in the best interest of the club.

1.4.3.9.2. All requests for refunds must be submitted in writing to the Booster Club Treasurer no later than the second game of the regular season.

1.4.3.9.3. All equipment or other items issued to the participant must be returned prior to the issuance of the refund check.

1.4.3.10. Mandatory Booster Club Member Fundraising

1.4.3.10.1. The League (A.A.Y.F.D.T.) provides a mandatory \$150 per participant fundraising opportunity to each booster club.

1.4.3.10.2. Each booster club can select their own fundraising retailers. However, prior to April 1st of the year in which the retailer is used, the A.A.Y.F.D.T. Executive Board must approve each selected retailer.

1.4.3.10.3. Each Booster Club Member may either:

- a. a. Elect to buy-out of the fundraiser by providing the Booster Club payment of \$150 before
- b. all registration fees are due, or

- d. the Booster Club to generate a minimum of \$150 in commission.

1.4.3.10.4. If the Member fails to sell the agreed upon minimum amount by the time fundraising fees are due, then the Member is required to make up the difference.

1.4.3.10.5. Payment in full of all registration fees and fundraising fees are required prior to issuance of equipment or participation in any practice or other A.A.Y.F.D.T. activities. This requirement

includes payment in full of any unpaid registration fees or other monies owing from prior seasons.

1.4.4 ADDITIONAL FUNDRAISING

1.4.4.1. General

1.4.4.1.1. All fundraising is to be done voluntarily with the exception of the mandatory Booster Club Member fundraiser provided by the League.

1.4.4.1.2. Each Booster Club will submit their current year fundraising plans to the A.A.Y.F.D.T. Executive Board when the additional fundraisers will be held.

1.4.4.1.3. Booster Clubs are prohibited from conducting fundraising at games in which they are the visiting team, with the exception of League sponsored activities such as raffles.

1.4.4.2. Charitable Raffles

1.4.4.2.1. Raffles must be conducted on a league-wide (A.A.Y.F.D.T.) basis ONLY.

1.4.4.2.2. Booster Clubs may not conduct individual raffles for any reason.

1.4.4.2.3. The League may elect to conduct as many as four or as few as zero raffles in any given year. The League reserves the use of one of its yearly raffle opportunities to benefit the League as a whole (scholarships, capital improvements, etc.).

1.4.4.2.4. The League reserves the use of its other yearly raffle opportunities to benefit the Booster Clubs that elect to participate. A raffle for the benefit of participating Booster Clubs will be conducted as follows:

1.4.4.2.5. The length of the raffle and date of drawing will be determined by the League with input from participating Booster Clubs.

1.4.4.2.6. Prize selection will be agreed upon by a simple majority of participating Booster Clubs.

1.4.4.2.7. Ticket price will be agreed upon by a simple majority of participating Booster Clubs and clearly denoted on each ticket.

1.4.4.2.8. Tickets will be printed and distributed by the League.

1.4.4.2.9. The cost of prizes and the administrative costs of conducting the raffle will be paid for by participating Booster Clubs in advance of receiving tickets. Each Booster Club assumes full financial risk of not recouping the costs of the raffle.

1.4.4.2.10. Tickets must be sold for face value only and not given away or provided as compensation for any reason.

1.4.4.2.11. Each Booster Club will keep all proceeds from the sale of raffle tickets.

1.4.4.2.12. Each Booster Club will ensure that the accounting and banking records validate the number of tickets sold and at the request of the A.A.Y.F.D.T. Treasurer, be prepared to demonstrate the validity before their tickets are submitted for drawing.

1.4.4.2.13. Background: Under Texas law, conducting a raffle is gambling and an illegal activity. However, The Charitable Raffle Enabling Act permits “qualified organizations” to hold up to four raffles per calendar year and only one at a time. A raffle is defined as “the award of one

or more prizes by chance at a single occasion among a single pool or group of persons who have paid or promised a thing of value for a ticket that represents a chance to win a prize". Proceeds from ticket sales must be used for the charitable purposes of the qualified organization. The A.A.Y.F.D.T., as a 501(c) organization, is a qualified organization under the Act.

1.4.4.3. Charitable Bingo

1.4.4.3.1. Charitable Bingo is a form of legalized gambling. It is a licensed activity heavily regulated by The Charitable Bingo Operations Division of the Texas Lottery Commission. All forms of bingo conducted by a Booster Club for fundraising purposes are strictly prohibited.

1.4.4.4. Casino/Poker Events

1.4.4.4.1. Booster Clubs are prohibited from conducting poker and/or casino events without prior approval from the A.A.Y.F.D.T. Executive Board.

1.4.4.4.2. The A.A.Y.F.D.T. Executive Board will determine if the structure of the fundraising activity is legal before granting approval.

1.4.4.4.3. Background: Unlike raffles and bingo, there is no exception to the gambling law in Texas for nonprofits to hold fundraising events that involve other forms of gambling. If all three of the following conditions are met, then it's probably gambling and illegal:

- a. Money or anything of value is paid to enter the game.
- b. Winners are decided by a game of chance.
- c. Prizes of value are awarded.

Many people are aware that it can be legal to play poker or other casino activities in a private place. Money can be bet and won by participants. However, for it to be a legal activity, all money must be redistributed to the participants. In other words, the "house" cannot keep a cut, which makes it difficult to legally raise funds using poker or casino events.

1.4.4.4.4. Solution: There are legal ways to fundraise with poker or casino events. You must remove at least one of the conditions that make it illegal gambling. You can either:

- a. Charge an entry fee but do not award prizes for games of chance or,
- b. Do not charge an entry fee, but conduct other legal fundraising activities such as selling food and drink or holding auctions.

1.4.4.5. Sale of Concessions and Merchandise

1.4.4.5.1. At no time is it permissible for a Booster Club to collect sales and use tax for any activity.

1.4.4.5.2. Booster Clubs may conduct the following fundraising activities that involve the sale of taxable items or services:

- Meals and Food Products- The sales of concession food items are permissible at any Booster Club event including practices and home games.
- Annual Banquets and Suppers – Each Booster Club may hold one tax-free banquet per year for the purpose of fundraising. All food must be prepared, served and sold by members of the Booster Club and not be held in a restaurant, hotel or similar place of business. This policy does not apply to banquets where the Booster Club acts as an intermediary between the Member attending the banquet and the establishment holding or catering the event. In this case the Booster Club makes no profit on the event and sales tax is paid by the Member and remitted by the establishment hosting the event.

- Amusement Services – Booster Clubs are permitted to hold carnivals, sports tournaments, dances, shows or other similar activities as fundraising events. Auctions, Rummage Sales and Sales of Merchandise Produced or Purchased - Each Booster Club may sell merchandise that it produces or purchases, conduct an auction or hold a rummage sale on no more than two dates per year in addition to the State's Tax Free weekend events. Booster Clubs must notify the League of the dates in which these sales will occur. In regards to the sale of spirit items or other such merchandise, it is recommended that each Booster Club use order forms to take orders from Members in advance. Prepayments may be made but items must be delivered or made available for delivery on one of the two selected dates. The order form must explicitly state that the sale is occurring on that date. Booster Clubs may not sell Spirit Items as concessions during the fall season, as this is a violation of State Law and is subject to a "use tax" that is paid to the State each year.
- Sales of Merchandise on Commission – This fundraising method uses retailers that are responsible for collecting and remitting sales tax (e.g. World's Finest Chocolate). Asking the Booster Club Member to do additional fundraising over and above the opportunity provided by the League is permissible if:
 - It is done on a voluntary basis only.
 - Voluntary participation is explicitly stated in all communications concerning the fundraising event.
 - The A.A.Y.F.D.T. Executive Board approves the retailer in advance.
 - Nontaxable Sales and Services – Booster Clubs are permitted to:
 1. Hold car washes.
 2. Sell gift certificates and passbooks.
 3. Babysit (Parents' Night Out).
 4. Hold bake sales (as long as goods aren't sold with plates or utensils)
 5. Sell magazine subscriptions of six months or more.
 6. Sell advertising space in programs, yearbooks, newspapers, etc.

1.4.4.5.3. Background: The issue here is not the legality of the activity but the collection of sales and use taxes. Just because the State of Texas has granted us a letter of exemption from paying sales tax when we purchase items, doesn't mean that we are exempt from collecting taxes on our sales of taxable items and services.

As a nonprofit organization we are granted specific exemptions from collecting sales and use tax. Those pertinent to us are:

- Meals and Food Products- Nonprofit organizations devoted exclusively to education or to physical or religious training and groups associated with a private or public elementary and secondary schools are not required to collect sales tax on meals and food products (including candy and soft drinks).
- Annual Banquets and Suppers – All nonprofit organizations can hold one tax-free banquet or other food sale per calendar year if all the food is prepared, served and sold by members of the organization and the event is not professionally catered, is not held in a restaurant, hotel or similar place of business, and does not directly compete with a retailer required to collect tax.

- Amusement Services – Most nonprofit organizations are not required to collect sales tax when they provide amusements (e.g. live or recorded performances, exhibitions or displays, spectator or participatory sports or games).
- Membership Dues and Fees – Not taxable.
- Auctions, Rummage Sales and Other Fundraisers – Most tax-exempt organizations can hold two, one day, tax-free auctions or sales each calendar year.

Selling taxable items without a permit is a criminal offense and each day of operation is a separate offense. The first offense is a Class C misdemeanor. Maximum penalties after a third conviction are fines up to \$4K and up to one year jail time. Failure to keep accurate records, file or submit the collected taxes can result in penalties, liens, property seizure and criminal charges.

For fundraising activities where a nonprofit takes orders, collects the money on the sales, and forwards the sales proceeds after retaining an agreed upon commission, the for-profit retailer is responsible for collecting and remitting the sales tax. Retailers that operate in this manner are used for the League sponsored fundraising opportunity offered to each Booster Club Member.

1.4.4.6. Sponsorships, Grants and Donations

1.4.4.6.1. Sponsorships, grants or donations written by check should be made out to “A.A.Y.F.D.T.- Your Booster Club Name”. This will allow for the direct deposit into the Booster Club bank account while establishing that the donation was made to the A.A.Y.F.D.T., the entity that makes the donation tax deductible.

1.4.4.6.2. A written receipt should be provided to each donor.

1.4.4.6.3. Booster Clubs are required to provide by the end of each calendar year a complete list of all sponsorships, grants and donations received. The list should include name of the donor, amount donated, if the donation was cash or property, and the nature of any items or services of value provided to the donor in exchange for the sponsorship, grant or donation.

1.4.4.6.4. Background: The amount of sponsorships, grants and donations are required to be properly classified and reported on or Federal Tax Return (Form 990). In addition, donors should be provided written documentation establishing the sponsorship, grant or donation for their tax purposes.

This property shall not be used, copied, imitated, or reproduced in any manner for any purpose by any individual, with the exception of normal, reasonable use of the chapter, newsletter, or contest name in conversations and correspondence (but not included as part of a letterhead) without League Executive Board approval.

2.2 ACCOUNTING SYSTEM

- 2.2.1.** QuickBooks Online Plus is the authorized accounting system of the A.A.Y.F.D.T. and its member Booster Clubs.
- 2.2.2.** The purpose of the accounting system is to systematically record, summarize, and report all financial transactions of the organization. The system is designed so that all aspects of A.A.Y.F.D.T.'s operations are included in the system.

- 2.2.4.** Bank Reconciliations: The check register is reconciled to the bank statements on a monthly basis. Any bank charges or other bank entries must be recorded in the check register as soon as notification is received from the bank.

- 2.3.1.2.** Revenue recognized will be \$375 per each paying participant.

2.3.1.3. Full/partial scholarships and any discounts given will reduce registration revenues for the amount of the scholarship or discount.

2.3.2. SPONSORSHIPS, GRANTS AND DONATIONS REVENUE

2.3.2.1. Donated Services

2.3.2.1.1. The A.A.Y.F.D.T. records in-kind gifts of professional services as revenue and expense. The expense account used should be the same account used if paying for the service.

2.3.2.1.2. Board members volunteer time, even if acting in their professional capacity (e.g. an accountant serving as Treasurer), is not considered donated services for accounting and tax purposes.

2.3.2.1.3. Booster Club members are expected to volunteer for game day activities. This volunteer time is not considered donated services for accounting and tax purposes.

2.3.2.1.4. Form 1099 is not sent for donated services.

2.3.2.2. Donated Equipment and Materials

2.3.2.2.1. The A.A.Y.F.D.T. records in-kind gifts of equipment and materials as revenue and as a fixed asset if the equipment or materials meet thresholds established in section 2.7.

2.3.2.2.2. Donated equipment and materials are recorded at the fair market value on the date of donation. Fair market value is the price at which a willing buyer would purchase the item from a willing seller.

2.3.2.2.3. Donated equipment and material which does not meet the definition of a fixed asset, is recorded as revenue and expense. The expense account used should be the same account used if paying for the equipment or material.

2.3.3 FUNDRAISING REVENUE

2.3.3.1. Funds collected for fundraising activities, with the exception of the mandatory league-wide fundraiser, are to be recorded as revenue in the appropriate account

- b. Special Events: Fundraising revenues from special events such as raffles, golf tournaments, car washes, homecoming, pool party etc.
- c. washes, homecoming, pool party etc.
- d. Advertising: Fundraising revenues from advertising activities such as yearbook ads, website ads, etc.

2.3.3.3. Transactions between a Booster club and its members, where fundraising is not a primary goal, should not be treated as fundraising revenue. With these types of transactions, the Booster Club merely facilitates the purchase of an item for the Booster Club member (e.g. Drill Team uniform sales where the cost of the uniform, without any mark-up, is passed to the Booster Club member). The collection of funds from the Booster club member and the disbursement of funds to the vendor should be recorded in the same account, minimizing any financial impact due to differences in amount.

2.3.4. INVESTMENT REVENUE

2.3.4.1. The league does not invest any funds received from booster clubs. Any interest received from a savings account will be invested back into the league to benefit the overall organization.

2.4 CASH RECEIPTS

2.4.1. Funds Received will be deposited timely to the credit of the organization in a financial institution that the A.A.Y.F.D.T. Board has authorized. Each authorized financial institution must be federally insured. The Treasurer records all deposits in QuickBooks and deposits all monies in the bank.

2.4.2. Cash and Checks Received at Events: The proper control of, and accounting for, receipts, especially cash, is essential to maintaining individual accountability and reducing the risk of loss. The following procedures will apply in cash receipt situations:

2.4.2.1. Registration – The registration form acts as a receipt for funds received for registration fees, fundraising buy out and pre-paid expenses. A two-copy receipt book will be used to record receipt of any balance of funds received at a subsequent date. The receipt will show the registrant's name(s) and amount paid by category (e.g. \$225 D/T registration fee, \$200 for uniform).

2.4.2.2. Fundraisers - Whenever possible, all receipts should be by check. It is highly recommended that those collecting funds consolidate cash and a check equal to the amount of cash be turned in instead of the cash. Whenever cash is turned in to the organization, both parties must verify the amounts and receipt issued.

2.4.2.3. Sales of inventory/souvenirs - Receipts must be issued for all sales, noting items sold and the amount collected.

2.4.2.4. Concessions - Cash receipts will be maintained in a cash box or bank deposit bag. Cash will not be kept in more than one location within the concession stand area. To the extent possible, control of and access to the cash box will be limited to as few personnel as possible. At least once every two hours, funds in excess of the change fund will be pulled from the cash box by the Treasurer or other authorized Board Member and will be placed in a secure location. The person in charge of the stand and the person pulling the funds issued to the cash box will verify funds pulled.

2.5 PROCUREMENT

2.7.3. Fixed assets are depreciated over their economic useful life as determined by the A.A.Y.F.D.T. Treasurer.
