### 1 – Honeymoon in South Africa: Cape Town – The Twelve Apostles Hotel & Spa

Have you ever imagined, eyes closed, the wind in your hair, the sun at its zenith, the gentle sound of birds tickling your ears, hand in hand with your beloved? A scene to live at the heart of this hotel. Bathed in golden light, surrounded by mountains, and delighted by a view of the Atlantic Ocean, you taste the very essence of romance.

A perfect destination if you want to combine modernity and nature for your honeymoon.

2 – Honeymoon in Tanzania: Zanzibar – Hotel: Zuri Zanzibar

Dreaming of a Miami-style wedding... but in Africa? Private beachfront, tropical bungalows, all-inclusive service — everything you need for a complete wedding: room, makeup, photo-video, hairdressing, catering, fully decorated venue.

Nearby activities include safari — between wild animals and love in full bloom, it's just a step... and a burst of laughter.

Let yourself be enchanted by this captivating blend and savor every moment! Zanzibar is one of Africa's most sought-after and beloved honeymoon destinations.

### 3 – Honeymoon in Kenya – Recommended Lodge: Angama Mara

Want to discover Maasai culture and admire wild animals in their native lands?

This idyllic place, between earth and sky, is a must for a divine connection with oneself and a spiritual atmosphere conducive to couple's growth.

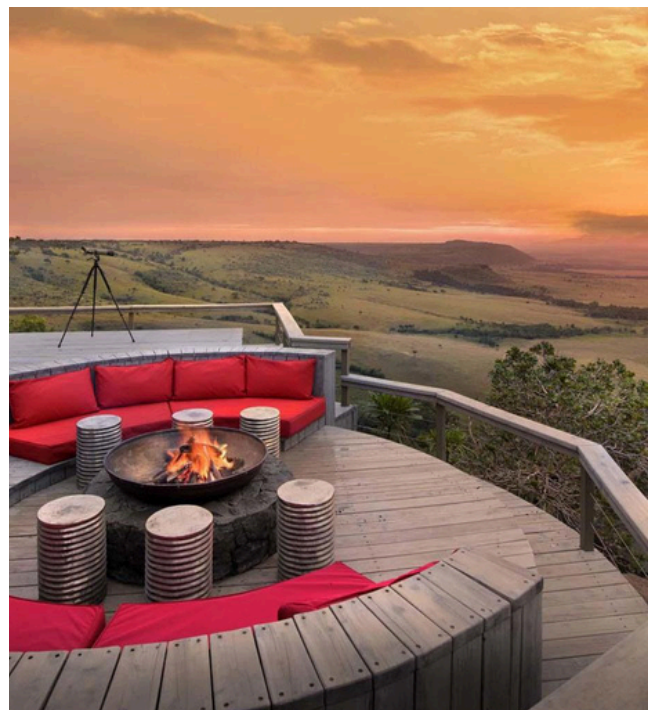

Living the first moments of your life together here is embracing a philosophy of deep love.

Eating under sunrays that write their most beautiful plumes in the sky.

Waking up watching the dance of the waves, walking while savoring the rhythm of the forest's leaves and flowers, vibrating with the touch of the wind.

A total immersion in human nature, in the environment, in the essentials.

An ideal destination for those who want their honeymoon to become a sacred memory.

#### 4 – Honeymoon in Namibia – Recommended Lodge: Little Kulala Lodge

The desert, the desert's heat... Getting lost in the void, between horizontal and vertical lines drawn in the sand by the wind.

Observing nature from home through a telescope, breathing dry and pure air that pushes you to appreciate every second of life.

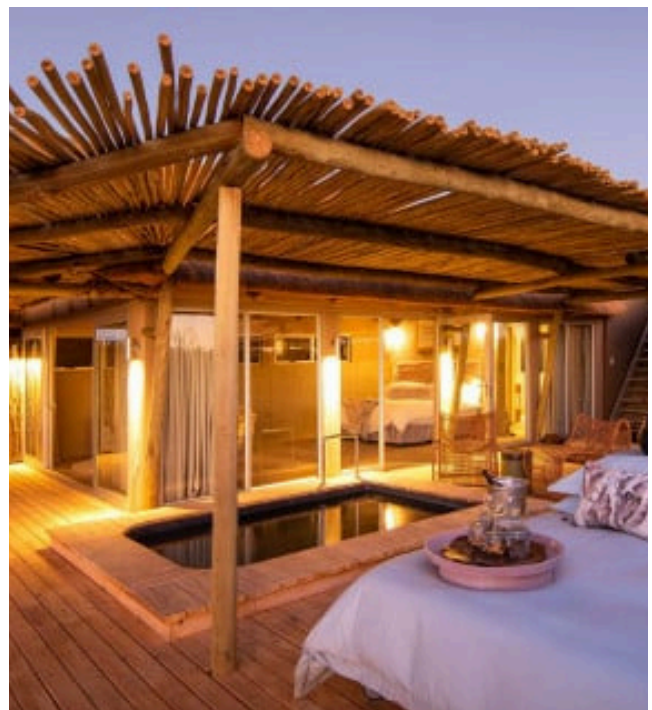

A brutal return to oneself. Discovering oneself, knowing oneself.

Yes, a couple can enjoy here a moment of intimacy away from the constraints of external civilization, listening to the other's heart beat and speak against their own, on the terrace edge, in the fullness of the sunset.

Looking into each other's eyes and getting lost in a whirlwind of loving emotions while crossing this desert.

A sacred void inviting to refocus on the relationship, to foster communication without any distraction.

We highly recommend it.

### 5 – Honeymoon in Mozambique – Hotel: Anantara Bazaruto Island Resort

Where to drink the water of love?

This destination is exactly what you need! Close your eyes, wrap your arms around yourself, and imagine this beautiful embrace of nature meeting you.

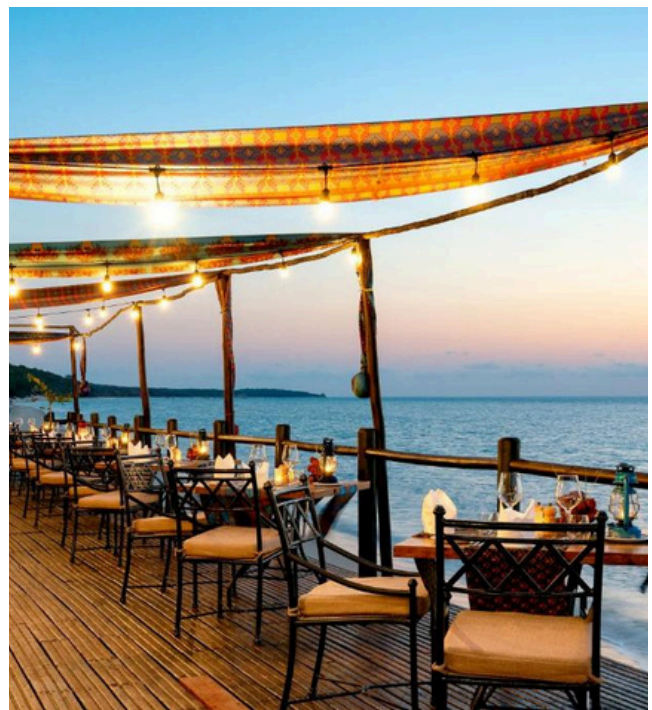

Yes... cradled between coconut trees, the sea, and warm sand, as a couple you enjoy this natural and paradisiacal embrace.

Feel the coconut leaves brush your skin at each step in this dream destination.

Quench your throat with fresh coconut water while letting your body and feet bathe in clear, fresh water.

Experience a time disconnected from bad news, social media buzz, and life's harshness...

Yes, this island will offer you a peace of heart like no other.

#### 6 – Honeymoon in Botswana – Hotel: Xigera Safari Lodge

Picnic mood? Nature mood?

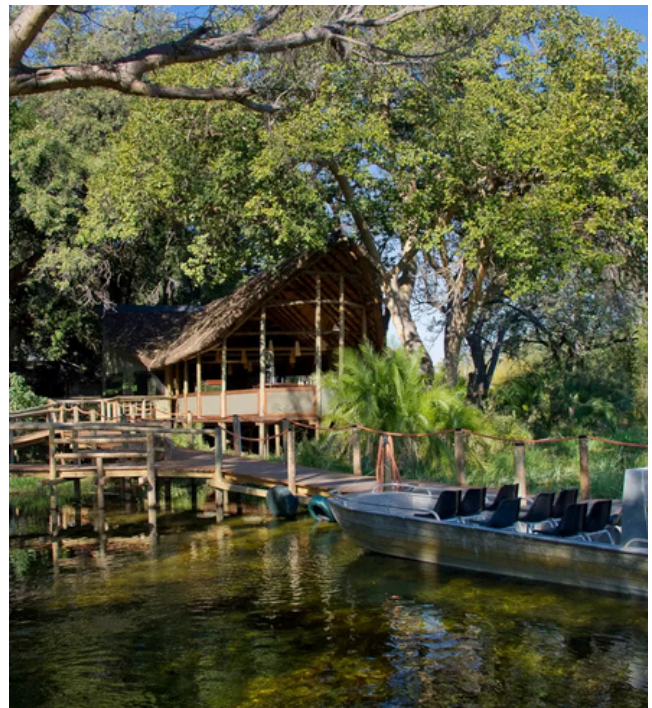

Between hyenas, leopards, gazelles, and elephants, your eyes will have plenty to marvel at during your honeymoon in this exceptional destination!

Enjoy an unprecedented experience of African luxury: top-notch Botswanan cuisine, incredible lodges, and above all, a unique opportunity to stay inside a baobab during your stay (special lodge option).

You won't believe it.

So, want to try a wild, exclusive, luxurious, and unforgettable honeymoon?

Botswana awaits you with open arms.

### 7 – Honeymoon in Senegal – Accommodation: Les Palétuviers

Senegal rek, wow. Welcome to Senegal, the land of Teranga hospitality.

A mythical bay awaits you here; the trees offer you a gesture of homage, the meals restore meaning to your taste buds, and the warmth of the people reminds you that life deserves to be lived — because indeed, it does.

Live an unforgettable honeymoon in this West African warmth.

Savor meals perched atop a tree, admire the mythical bay, discover emblematic African animals.

A memory that will merge into your psyche, filling you with meaning and making you addicted to this place.

Time will pass, you'll return home with a chain on your heart, a chain that will forever link you to this place, and it will be your feelings of joy and the memorable moments of your honeymoon.

So don't miss this unique experience!

#### 8 – Honeymoon in Ivory Coast – Accommodation: Coucoué Lodge

Ivory Coast, land of ivory, country of hospitality — it's not just a word but a way of life.

Take a plane and head to Assinie, an island of coconut trees, private beaches, and yachts that move in a harmonious ballet on the water.

Open your mind, smell the fish and chicken spiced with Ivorian flavors that tickle your nose — hmm, what a delight.

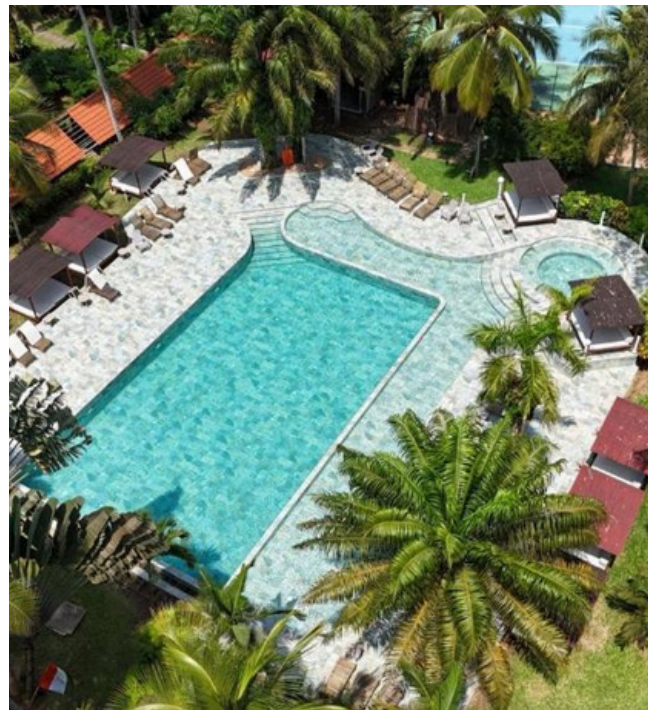

Lie down in this soft and silky place, with linen and blankets as white as snow that embrace your body and soothe your mind.

A honeymoon bursting with meaning, passion, love, and discovery of your respective bodies.

A body that shivers at the touch of water, a body that breathes after tasting the finest food, a body that unfolds in its most beautiful finery with the smiles of warm people.

An unforgettable experience for your honeymoon, because as they say in Ivory Coast: to taste is to return.

You will go, and you will come back... with family next time!
