

# BRS-RT-0007

ROV Fishtail Handle, 8-hole Flange-End

## Product Overview

ROV Fishtail handle with 8-hole flange based on API17H and ISO13628-8 standards.

## Mechanical

<b>Handle Type</b>	Fishtail Handle
<b>Overall Dimensions</b>	241mm (L) x 155mm (W) x 82mm (H)
<b>Weight</b>	
<b>In Air</b>	1.8 kg
<b>In water</b>	1.5 kg
<b>Flange interface</b>	8-hole, $\varnothing 6.5$ mm holes, PCD $\varnothing 63$ mm
<b>Material</b>	SS316 (other materials can be requested)
<b>Finishing</b>	As per customer's request
<b>Design</b>	API17H and ISO13628-8

**Disclaimer:** This datasheet serves as reference only. Actual dimensions and specifications may differ from the details stipulated in this document. Actual specification to be confirmed with Blue Ring Subsea on case-to-case basis.
