Great Looking, Hard Wearing
Modern Decking !

LEBEN™

REVERSIBLE
BOARDS

ultimaDECK

Composite Decking with CoEx Weather Shield™

A densely packed composite core concealed in a hardy outer shell, the **ultimaDECK** range provides absolute peace of mind to those seeking a weather resistant flooring solution that stands the test of time. Strength, durability and weather resistance are not the only things this board has in its locker. An exceptionally authentic finish is guaranteed to provide your outdoor area with a distinct identity and a premium feel.

TWO GREAT COLORS ON A SINGLE BOARD !

Reversible planks give you the power to choose the look that is right for you. And, of course, there's nothing stopping you from changing your mind in a few years time and flipping the boards over if you fancy a change.

LEBENTM

All weather, Zero Maintenance
Exterior Louvers !

INNOVATIVE

We've invented a whole new way to make facades stunning & distinctive with composite cladding that's beautiful, durable and affordable

HIGH PERFORMANCE

Unlike wood, our cladding resists warping, rotting, fading and almost anything mother nature has in mind.

COST EFFECTIVE

In our constant endeavour to offer products that are durable and affordable, our cladding totally mimics real wood and yet is much cheaper in cost and maintenance

BUILT TO LAST

We have created the most advanced composition and used the latest Co-Extrusion technology to ensure our cladding last for decades.

PEACE OF MIND

Our 5 Years replacement warranty and upto 20 Years lifetime assurance means you're covered and confident for years to come.

ECO FRIENDLY

We manufacture cladding that's an innovative blend of 80% recycled wood and plastic. And that's just the start of our sustainable way of life.
