Safety Rules

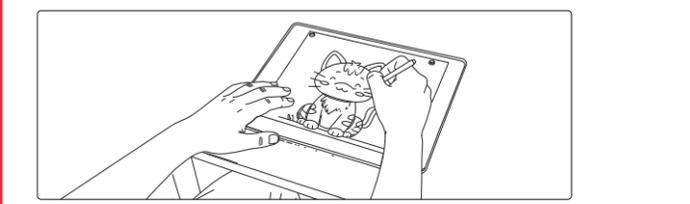

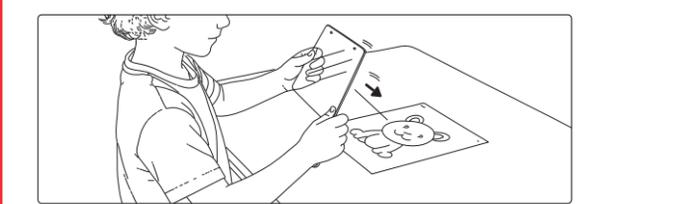

⚠️ WARNING: CHOKING HAZARD – Small parts. Not for children under 3 years.

- This toy is intended for children ages 12 and under.
- Adult supervision is required when plugging is unplugging the power cable.
- Rated Input: 5V DC, 1A. Use only with the supplied USB cable.
- Do not put markers or cloth in your mouth.
- Do not press too hard—scratches can't be erased.
- Do not use near water.
- Do not disassemble or use if damaged.
- Do not pull the cable or expose the USB port to water.
- Keep away from heat sources or damp environments.
- Store in a cool, dry place.

How to Play

1. Draw Your Art

- Note: Remove the protective film before first use.
- Trace: Place your favorite picture under the board and follow the lines. We included 5 sample sheets to start!
- Free Draw: Draw anything you imagine—flying pigs, rainbow clouds, or your own superhero.
- Made a mistake? Use a soft cloth to erase. (Don't use your hands—it won't clean well.)

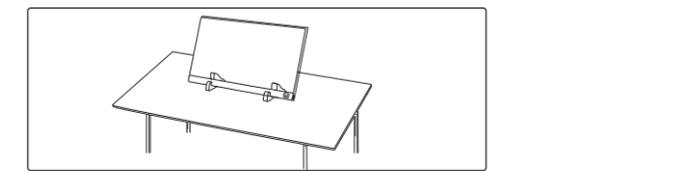

2. Light It Up

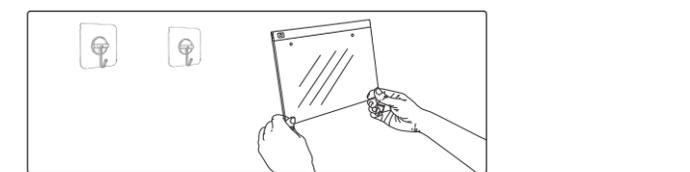

- Ask a parent to connect the USB-C cable to the board and a power adapter.
- Press the Light Mode Button: Short press = change colors/modes (flash, solid, rainbow).
- Long press (2 sec) = turn off.

3. Show It Off

- On a table: Use the stands to make it stand upright.

- On the wall/door: Use the hooks (parents should help).

Cleaning Tips

- Board surface: wipe with a soft dry cloth (use a little water if needed).
- Marker & cloth: rinse with clean water, let dry. **Never use a wet cloth on the USB port!**
